RULES AND REGULATIONS

I. Service Classification. There shall be no distinction of this category.

II. Service Application.

A. Any bona fide occupant of a single family dwelling; or to each residential unit in an auto court, duplex, or multiple dwelling building; or person holding property having reasonable accessibility to the source of and who is in need of having water supplied to his place of occupancy or property may be a member of this company by obtaining a membership certificate from the company. Persons who receive the approval of the Board of Directors may be admitted to membership upon subscribing for a membership certificate and by signing such agreements for the purchase of water as may be provided and required by the company. The membership certificate will be issued to those persons or firms who pay a connection fee.

PUBLIC SERVICE COMMISSION
OF KENTUCKY
EFFECTIVE

B. The Company may reject any application for membership when the applicant is delinquent in payment of bills incurred for service previously supplied at any location.

RULES AND REGULATIONS

- C. Violation of any of the provisions of these rules, by-laws or any other regulation of the Company, the Company may remove the meter and discontinue service. Where the meter is thereafter reinstalled, the Member shall first pay to the Company a reinstallation fee equal to the cost of installation.
- D. The individual in whose name the membership certificate is prepared shall be responsible for payment of all bills incurred in connection with the service rendered.

III. Initial or Minimum Charges.

- A. The flat minimum monthly rate, as set up in the water rate schedule for the year, will be payable irrespective of whether any water is used by the member during any month.
- B. Water furnished for a given lot or farmstead shall be used on that lot only. Each member's service must be separately metered at a single delivery and metering point. All commercial use, including storerooms and stalls for business purposes shall be metered separately from any residential use, and vice versa.

IV. Company's Responsibility.

A. The Company will install, maintain and operate a main distribution pipeline or lines from the source of water supply, and service lines from the main distribution line or lines to the property line of each member of the Company at which points, designated as delivery points, meters to be purchased, installed, owned and maintained by the Company, shall be placed. The cost of the service line or lines from the main distribution line or lines of the Company to the property line of each member shall be paid initially by the Company and the cost shall then be charged to the customer. The Company will also purchase and install a cut-off valve in each service line from its main distribution line or lines, such cut-off valve to be owned and maintained by the Company and to be installed on same portion of the service line

owned by the Company. The Company shall have the sole and exclusive right to use of such cut-off valve to turn it on and off.

B. Each member shall be entitled to not to exceed one (1) service line from the Company's water system unless otherwise approved by the Board of Directors and provided that the member shall be required to pay the prevalent tap fee for each service line. No new service line or change in an existing service line may be made which will interfere with an existing service line or the delivery of water therein. Each service line shall connect with the company's water system at the nearest available place to the place of desired use by the member if the Company's water system shall be of sufficient capacity to permit the delivery of water through a service line at that place without interfering with the delivery of water through a prior service line. If the company's water system shall be inadequate to permit the delivery of water through a service line installed at such place without interfering with the delivery of water through a prior service line, then such service line shall be installed at such place as may be designated by the company.

X. Meter Reading - Billing - Collection.

A. Meters will be read and bills rendered monthly, but the Company reserves the right to vary the dates or length or period covered, temporarily or permanently if necessary or desirable.

B. Bills for water will be figured in accordance with the Company's published rate schedule and will be based on the amount consumed for the period covered by the meter readings, except where a member orders turn-on, the minimum bill to such member for such period shall be equal to the minimum charge for one full month's service.

C. Charge for service commences when meter is installed and connection made, whether used or not.

D. Reading from different meters will not be combined for billing, irrespective of the fact that said meters may be for the same or different premises, or the same or different members, or for the same or different services.

E. Bills are due when rendered and delinquent after ten (10) days; if not paid in thirty (30) days, service may be discontinued by the Company in accordance with P.S.C. regulation 807 KAR 5:006, Sect. 11.
