SERVICE COMMISSION**

All customers may pay their bill by credit card or debit card. This method of payment may be made in person at the utility office or by telephone. If on the bill due date an attempt to pay by credit card or debit card is made and the card is declined for any reason, payment is still due in full on that date and will be considered late at that date. All late charges will be applied. If a customer is paying on the disconnect day and the card is declined, the same rules as above apply, in addition to service being disconnected. When a customer makes a payment by credit card or debit card, the utility will assess the fee set out in its tariff. Prior to processing the transaction, the customer will be informed of the fee amount.
