her mutually agreed between Seller and the Purchaser as follows:

1. (Term of Contract) That this contract shall extend for a term of <u><u>Sixty</u> years from the date of the initial very of any water as shown by the first bill submitted by the Seller to the Furchaser and, thereafter may be renewed or xiended for such term, or terms, as may be agreed upon by the Seller and Purchaser.</u>

2. (Delivery of Water) That thirty days prior to the estimated date of completion of construction of the ...chaser's water supply distribution system, the Purchaser will notify the Seller in writing the date for the initial delivery of water.

3. (Water for Testing) When requested by the Purchaser the Seller will make available to the contractor at the point of delivery, or other point reasonably close thereto, water sufficient for testing, flushing, and trench filling the system of the Purchaser during construction, inespective of whether the metering equipment has been installed at that time, at at regular rates as in paragraph 2B, above. HEDEFAGEGODS.

\_ which will be paid by the contractor or, on his failure to pay, by the Purchaser.

FOR THE PUBLIC S.

4. (Failure to Deliver) That the Seller will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish the Purchaser with quantities of water required by the Purchaser. Temporary or partial failures to deliver water shall be remedied with all possible dispatch. In the event of an extended shortage of water, or the supply of water available to the Seller is otherwise diminished over an extended period of time, the supply of water to Purchaser's consumers shall be reduced or diminished in the same ratio or proportion as the supply to Seller's consumers is reduced or diminished. 

(Modification of Contract) That the provisions of this contract pertaining to the schedule of rates to be paid by 5

the Purchaser for water delivered are subject to modification at the end of every One (lyear period. Any increase or decrease in rates shall be based on a demonstrable increase or decrease in the costs of performance hereunder, but such costs shall not include increased capitalization of the Seller's system. Other provisions of this contract may be modified or altered by mutual agreement,

6. (Regulatory Agencies) That this contract is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State and the Seller and Purchaser will collaborate in obtaining such permits, certificates, or the · • • like, as may be required to comply therewith. . . . .

7. (Miscellaneous) That the construction of the water supply distribution system by the Purchaser is being financed loan made or insured by, and/or a grant from, the United States of America, acting through the Farmers Home Administration of the United States Department of Agriculture, and the provisions hereof pertaining to the undertakings of the Purchaser are conditioned upon the approval, in writing, of the State Director of the Farmers Home Administration.

8. (Successor to the Purchaser) That in the event of any occurence rendering the Purchaser incapable of per-forming under this contract, any successor of the Purchaser, whether the result of legal process, assignment, or otherwise, shall succeed to the rights of the Purchaser hereunder.
