- shall be made for leaks or for water wasted by improper or damaged service pipes or fixtures belonging to the Customer.
- (b) If test results on a Customer's meter show an average error greater than two percent (2%) fast or slow, or if a Customer has been incorrectly billed for any other reason, except in an instance where a Company has filed a verified complaint with the appropriate law enforcement agency alleging fraud or theft by a Customer, the Company shall immediately determine the period during which the error has existed, and shall recompute and adjust the Customer's bill to either provide a refund to the Customer or collect an additional amount of revenue from the underbilled Customer. The account adjustment shall be performed according to 807 KAR 5:006 Section 10(2) with corrected billing or refund as directed therein.

20. BOILER AND ENGINE WATER SUPPLY:

The Company does not guarantee a sufficient or uniform pressure, or an uninterrupted supply of water, and Customers are cautioned to provide a sufficient storage of water where an absolutely uninterrupted supply must be assured; such as for steam boilers, hot water systems, gas engines, etc.

21. INTERRUPTIONS IN WATER SUPPLY:

The Company may at any time shut off the water in the mains in case of accident, or for the purpose of making connections, alterations, repairs, changes, or for other reasons, and may restrict the use of water to reserve a sufficient supply for the public fire service or other emergencies whenever the public welfare may require it.

SHEET NO. 34

CANCELLING P.S.C. KY. NO. 3

Water Service Corporation of Kentucky
(Name of Utility)

CONTENTS

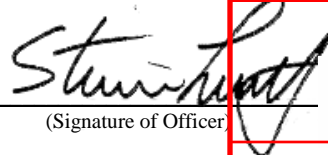

1. Public Service Commission rules and regulations as set forth in 807 KAR 5 and Kentucky Department for Natural Resources, Division of Water standards and laws must be observed and adhered to, and may be viewed upon request by the applicant.
2. The applicant agrees to pay a \$_____ meter deposit, which will be refunded with interest when the applicant ceases to be a water customer and all accounts are paid in full.
3. One household may be served by one meter. The company reserves the right to terminate service at the meter if addition of other houses or mobile homes is suspected.
4. Company employees, possessing proper identification have right of egress and ingress for meter reading, maintenance and repair activities as they are warranted.
5. Water bills are due to be paid between the first and the tenth of each month at the Company office. If not paid by the tenth, a ten percent penalty is added to the amount due. If not paid in full by the twentieth, service is subject to disconnection. An additional meter deposit may be required and a service charge must be paid before service may be restored.
6. The water customer is responsible for water service lines from the meter to the dwelling. Installation, repair, and water loss are the responsibility of the Customer.
7. Customer service lines and connections must be inspected by Company personnel to insure against cross-connections and inadequate materials for drinking water.
8. Customer service lines shall be of at least ¾ inch pipe or larger, and shall be at least 160 pounds pressure with 200 psi preferred. Service line shall be buried at least 24 inches to prevent freezing. Encasement pipe may be required at the discretion of the Company.
9. No galvanized fittings may be used on Customer lines.
10. A cut-off valve outside the meter box must be installed on the Customer's service line for the Customer's use.
11. A check valve to prevent back flow in case of water outage must be installed in Customer's service line
