RULES AND REGULATIONS

This schedule of Rules and Regulations governs the furnishing of water service by East Casey County Water District hereinafter referred to as the DISTRICT and applies to all service received from the DISTRICT. No employee or individual Commissioner of the DISTRICT is permitted to make an exception to Rates, Rules or Regulations. All Rules and Regulations are to be in effect so long as they are not in conflict with Public Service Commission Rules and Regulations. The DISTRICT is further subject to all Rules and Regulations of the Public Service Commission even though not contained herein.

1. Scope

This Schedule of Rules and Regulations is a part of all contracts for receiving water service from the DISTRICT, and applies to all service received from the DISTRICT whether the service is based upon contract, agreement, signed application, or otherwise. A copy of this schedule, together with a copy of the DISTRICT'S Schedule of Rates and Charges, shall be kept open to inspection at the office of the DISTRICT. The rules are promulgated under direction and authority granted pursuant to Chapter 13 of Kentucky Revised Statutes and Administrative Regulations 807 KAR 5 established via authority of Executive Order 81-126 dated March 4, 1981. The aforesaid rules and regulations are hereby adopted and included the same or herein written now or as may be legally changed from time to time.

2. Revisions

These Rules and Regulations may be revised, amended, supplemented, or otherwise changed from time to time by either of the two (2) following methods:

A. By order of the Public Service Commission upon formal application by the DISTRICT, and after hearing as provided by commission regulation set forth in 807 KAR 5:011.

B. By issuing and filing on at least thirty (30) days notice to the commission and the public all proposed changes in the Rules and Regulations, as provided by commission regulations set forth in 807 KAR 5:011.

3. Conflict

In case of conflict between any provisions of any rate schedule and the schedule of Rules and Regulations, the rate schedule shall apply. Also, should the rules contained herein conflict with the present rules in effect under 807 KAR 5 as of this date, same shall take precedence over those contained herein.

4. Application for Service

Any person, firm, agency or governmental entity within the current boundary of the DISTRICT may request service. Said request must be in writing on a form approved by the DISTRICT.

No service for a request shall be granted unless the property of said requestor has public access within a reasonable distance from an existing distribution main of the DISTRICT consistent with the topography of the area. Should the requestor desire to have the existing distribution system extended to serve them, same shall be accomplished as stipulated, hereafter.

RULES AND REGULATIONS

Should DISTRICT determine that service to requestor is available, each prospective customer desiring water service shall be required to execute and sign the DISTRICT'S standard application for water service before service is supplied by the DISTRICT. A 5/8" X 3/4" meter shall be "the standard customer service meter and should be installed at all points of service unless the customer provides sufficient justification for the installation of a larger meter."

The DISTRICT shall provide for a standard connection (i.e., 5/8" x 3/4" meter) from the DISTRICT'S existing distribution main. An estension of fifty (50) feet or less shall be made by the DISTRICT to its existing utility main without change for a prospective customer who applies for and contracts to use the service for one (1) year or more with the appropriate guarantee.

5. Non-Standard Service

Each prospective customer requiring a non-standard service (i.e., other than a 5/8" X 3/4" meter) shall present to the DISTRICT sufficient justification for same. Insofar as prospective customer requirement may meet those non-standard service presently in effect by DISTRICT same may be applied. An extension of fifty (50) feet or less shall be made by the DISTRICT to its existing utility main without change for a prospective customer who applies for and contracts to use the service for one (1) year or more with the appropriate guarantee.

6. Point of Delivery

The point of delivery is the point where the meter or vault is located on the customer's premises. All water lines, plumbing, and equipment beyond the meter shall be installed and maintained by the customer. The DISTRICT reserves the right to determine the location of point of delivery with full regard to those wishes of the prospective customer, however the DISTRICT will in no event set a meter at a point that does not deliver 30 psig at the meter.

7. Customer's Service Line

All service lines beyond the metering point should be installed of material consisting of copper, galvanized, PVC pipe, or PE pipe with rating of not less than 200 psi. The size of service line beyond the point of delivery should not be less than 3/4".

Should a prospective customer desire a higher pressure due to his location or need, he may make provision, at his expense, for an individual pressure booster system. The manner of connection, location cross-connection protection and type is subject to approval by DISTRICT. The DISTRICT reserves the right to require discontinuance and disconnection should the private booster system have a detrimental effect on DISTRICT'S system.

Inspection of the service line shall be in accordance with the provisions of KRS Chapter 318 and the state plumbing code.

11. Discontinuance of Service by Customer

Any customer having fulfilled their contract terms and desiring to discontinue the water service to his premises for any reason must give notice of discontinuance in writing, in person, or by phone at the business office of the DISTRICT at least (3) days prior to the date on which the customer desires to discontinue service. If such notice in writing, in person, or by phone is not given, a customer shall remain liable for all water used and service rendered to such premises by the DISTRICT until such notice is received by the DISTRICT.

12. Reconnection Fees

Where the water supply to customer has been discontinued for nonpayment of delinquent bills, or where a meter is reinstalled for a new customer at the location where one existed previously, a charge will be made for reconnection of water service, but the reconnection fee will not be made until all delinquent bills and other charges, if any, owed by the customer to the DISTRICT have been paid. In instances where the customer pays all delinquent bills to an employee of the DISTRICT at the time of the disconnection, a field collection charge shall be made to cover the DISTRICT'S costs.

13. Deposit

The DISTRICT reserves the right to require that a nominal amount be placed on deposit with the DISTRICT for the purpose of establishing or maintaining any customer's credit, such amount not to exceed two/twelfths (2/12) of the estimated annual bill of such customer. Upon the payment of such deposit, the DISTRICT shall issue to such customer a certificate of deposit, showing the name of the customer, the location of the

14. Adjustment Relative to Erroneous Meter

If a meter is inaccurate in excess of $\pm 2\%$, whether upon periodic testing or upon requested testing, additional tests shall be made at once to determine the average error of the meter, and the adjustments shall be made in the customer's water bills as follows:

- A. If the result of such tests shows an average error greater than 2% fast, the customer's bill for the period during which the meter error is known to have existed, shall be recomputed and the account adjusted on the basis of the test. If the period during which the meter error existed cannot be determined, then the customer's bill shall be recomputed for one-half (1/2) of the elapsed time since the last previous test, but in no event to exceed 12 months; provided, however, that if time for the periodic test has overrun to the extent that 1/2 of the time elapsed since the last previous test exceeds 12 months, the refund shall be for the 12 months specified above, plus those months exceeding the periodic test period, provided, further, that such refund may be limited to the 12 month period if failure to make the periodic test was due to causes beyond the control of the DISTRICT.

RULES AND REGULATIONS

21. Boilers and/or Pressure Vessels

Customers having boilers and/or pressure vessels receiving a supply of water from the DISTRICT must have a check valve on the water supply line and a vacuum valve on the stream line to prevent collapse in case the water supply from the DISTRICT is discontinued or interrupted for any reason, with or without notice. It is the responsibility of the customer to make provisions for protection of his equipment in case of interrupted or intermittent service.

22. Backflow Preventors

Special services and fire connections shall have backflow preventors of a type approved by the DISTRICT, installed at the cost of prospective customer.

23. Cross-Connection

Kentucky Department of Health, Kentucky Public Service Commission and these rules and regulations do hereby explicitly state that cross-connection of the DISTRICT'S system with any other source is hereby prohibited.

RULES AND REGULATIONS

24. Relocation of Water Facility

The DISTRICT may, at the request of a customer or other person, relocate, change, or modify existing DISTRICT owned equipment, mains, or appurtenances. Same shall reimburse DISTRICT for such changes at actual cost including appropriate legal, administrative, engineering, and overhead costs.

25. Damage to DISTRICT'S Water System

No person shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure, appurtenance, or equipment which is a part of the DISTRICT'S water works. Any person violating this provision shall be subject to legal prosecution and/or discontinuation of water service and shall pay the cost of repairing or replacing the pipe or appurtenance.

Any person, firm, or organization working around or near DISTRICT'S distribution mains or appurtenances may request the DISTRICT to indicate location of same. However, indication by DISTRICT of same does not relieve such person of complete responsibility and liability for any and all damages, liability and loss resulting from any act of such person or his assigns and/or agent.

26. Additional Load

The service connection supplied by the DISTRICT for each customer has a definite capacity, and no addition to the equipment or load connected thereto will be allowed

except by consent of the DISTRICT. Failure to give notice of additions or changes in load, and to obtain the DISTRICT'S consent for same, shall render the customer liable for any damage to any of the DISTRICT'S lines or equipment caused by the additional or changed installation.

27. Notice of Trouble

The customer shall notify the DISTRICT immediately should the service be unsatisfactory for any reason, or should there be any defects, trouble or accidents affecting the supply of water.

28. Distribution Extensions

Any person desiring an extension to DISTRICT'S system shall request in writing, in a form approved by DISTRICT, for such extension. Any requested extension may be provided under one of the following options.

OPTION I - DISTRICT shall construct such extension under authority and procedure as stipulated in Public Service Commission Regulation 807 KAR 5:0661, Section 12. Any extension made under this option shall be subject to refund as outlined in said regulation.

OPTION II - Applicant may construct and donate to DISTRICT, the extension, as a contribution in aid of construction, meeting all DISTRICT'S specifications and approval. DISTRICT reserves right to stipulate applicable engineering, legal and administrative factors.

RULES AND REGULATIONS

Applicant shall pay all cost of DISTRICT as a contribution in aid of construction. Any extension made under this option shall not be eligible for refund.

The applicant or group of applicants shall have the right to elect the option by which said extension shall be made. In either case applicant must execute a contract and agreement for line extension of form approved by DISTRICT.

Extendor applicant is hereby notified that regardless of option selected all other rules, rates and schedules of fees applicable to size and type of service requested shall be paid in addition to cost of extension.

29. Complaints

Complaints may be made to the operator of the system whose decision may be appealed to the DISTRICT Commissioners. Such appeal shall be in writing within ten (10) days of date of decision by operator, stating the nature of the complaint and supporting evidence. Decisions by the DISTRICT'S Commissioners or operation may be brought before the Public Service Commission in accordance with 807 KAR 5:001 Section 11 and 12.
