RULES AND REGULATIONS

D. Deposits.

1. Deposits to secure payment. The utility may require a minimum cash deposit or other guaranty to secure payment of bills.
2. Equal Deposits. An equal deposit amount for each class of customers will be established based on the average annual bill of customers in that class. Deposit amounts will not exceed two-twelfths (2/12) of the average annual bill of customers in each class where bills are rendered monthly. Deposit amounts are listed in the Rates and Charges section of this tariff.
3. Recalculation of deposits. If the utility retains the deposit for more than eighteen (18) months, it will notify customers in writing that, at the customer's request; the deposit will be recalculated every eighteen- (18) months based on actual usage of the customer. The notice of deposit recalculation will be included either on the customer's application for service or on the receipt of deposit, or may be included annually with or on customer bills. The notice of deposit recalculation will state that if the deposit on account differs by more than ten (10) dollars for residential customers, or by more than ten (10) percent for nonresidential customers, from the deposit calculated on actual usage, then the utility will refund any over-collection and may collect any underpayment. Refunds will be made either by check or by credit to the customer's bill, except that the utility will not refund any excess deposit if the customer's bill is delinquent at the time of recalculation.

RULES AND REGULATIONS

AA. Fire Departments. For the purpose of off-setting fifty percent or more of its operation expenses, any fire department not receiving public funds from the Commonwealth of Kentucky, or any political subdivision thereof, may withdraw water from the utility's facilities at no charge, for the extinguishing of fires or the training of firemen. A fire department making such withdrawals shall provide an estimate of its withdrawals to the utility at the end of each month.

AB. Fire Hydrants:

1. The District will only install fire hydrants on six inch (6") lines or larger lines. Water hydrants installed on four inch (4") lines or smaller lines will be for flushing purposes only and shall not be used as a fire hydrant. The District is not in the fire protection business.

AC. Not Applicable.

AD. Not Applicable.

AE. Water Main Extensions.

1. Normal extension. An extension of fifty (50) feet or less shall be made by a utility to its existing distribution main without charge for a prospective customer who shall apply for and contract to use service for one (1) year or more.
