

**CLASSIFICATION OF SERVICE**  
**SERVICE CLASSIFICATION NO. 5**

**Applicable**

Applicable to the entire Service Territory of Kentucky-American Water Company.

**Availability of Service**

Available for Water Used for Construction, Street Washing, Pool Filling, and Similar Purposes.

**Rates**

Where a meter is installed on a fire hydrant or on a temporary service connection for construction, street washing, pool filling, and similar purposes, the minimum payment for water shall be the monthly service charge for general water service, payable in advance based upon the size of the meter installed.

If more than one fire hydrant or temporary service connection is used, the service charge is to apply to each such hydrant or temporary service connection so used.

The Company may require an application to be signed and either the service charge paid in advance or, at the option of the Company, a meter deposit made, and the account handled in the same manner as any other metered account. This service charge will not entitle the Customer to any water and all water used shall be billed at the meter rate schedule. In addition to such charges the Customer shall pay all reasonable costs incurred in connection with the installation and removal of the meter.
