AGREEMENT FOR SPECIAL SERVICE

NON-STANDARD SIZED METER

This agreement, dated this ____ day of _____, 20__ between _____, (“Customer”), whose mailing address is _____, and McCreary County Water District, P.O. Box 488, Whitley City, Kentucky 42653, (“the District”) (collectively “the Parties”);

WITNESSETH:

WHEREAS, the District operates a central water system in McCreary County, Kentucky for domestic, livestock, lawn, garden and other uses, and has as its standard domestic service connection a 5/8-inch x 3/4-inch size meter;

WHEREAS, Customer requests and has evidenced to District probable consumption of water in excess to that which the District’s standard size connection can provide; and,

WHEREAS, Customer requests service through a non-standard size meter;

Now THEREFORE, in consideration of the premises and mutual covenants and conditions hereinafter set out, subject to the Rules and Regulations of the District and Kentucky Public Service Commission, it is hereby understood and agreed by the parties hereto as follows:

1. The District shall furnish, subject to the limitations set out in its Rules and Regulations and its rate schedules filed with the Public Service Commission of Kentucky now in force or as hereafter duly and legally supplemented, amended, or changed, water service to Customer in connection with the property to be served by this agreement. The property to be served is located at _____ and shall be served though a ____-inch meter, which shall be located at a point adjacent to the property, and which the District shall install upon Customer’s payment of \$_____ and Customer’s conveyance of legal title to all lines and appurtenances between the District’s mains and the water meter.

2. Customer shall take the necessary actions to obtain the approval of the appropriate governmental agencies, to include the Kentucky Department of Public Health and Department of Building and Construction, for the special connection and, if applicable, a plan showing the location and size of the proposed pipelines and appurtenances, as well as any cross-connections.

3. Customer shall install the proposed pipelines and appurtenances in accordance with the approved plans and specifications from the Customer’s premises to the District’s meter and shall pay all costs of materials and installation of the proposed lines that may be necessary to tie into the District’s meter.

4. Customer agrees to pay to the District a service connection fee for the installation of the District’s meter. This fee is for one service connection only. Any additional service connection for Customer’s property must be separately c

5. Customer agrees to pay a deposit as required by the District. The deposit is refundable after one (1) year if Customer has established a satisfactory payment history

or upon termination of service and payment of all accounts owed. The District retains the right to require a deposit after refunding the original deposit, if Customer fails to maintain a satisfactory payment record.

6. Customer agrees to comply with and be bound by the District's Rules and Regulations, now in force or as hereafter duly and legally supplemented, amended, or changed. Customer agrees to pay for water at such rates, time and place as shall be determined by the District and agrees to the imposition of such penalties for noncompliance as are now set out in the District's Rules and Regulations, or which the District has or hereafter adopts and imposes.

7. Customer agrees to grant to the District, its successors and assigns, a perpetual easement in, over, under and upon real property owned by Customer, with the right to erect construct, install and law, and thereafter use, inspect, maintain, replace and remove water lines and appurtenant facilities, together with the right to utilize adjoining real property belonging to Customer for the purpose of ingress to and egress from those lands.

8. Customer acknowledges that Customer's failure to water charges duly imposed will result in the following consequences: (a) Nonpayment after the due date of the original bill will result in a penalty of **10 percent** of the delinquent amount; (b) Nonpayment within twenty (20) days from the mailing date of the original bill may result in termination of service; and (c) A **termination fee of \$12.50** and a **reconnection fee of \$12.50** will be assessed if service is terminated for non-payment.

9. Customer agrees that no present or future source of water will be connected to any water lines served by the District's water lines and will disconnect from Customer's present water supply prior to connecting to and switching to the District's system and will eliminate present or future cross-contamination.

10. Customer acknowledges that Customer is responsible for accurately identifying and marking all underground facilities on Customer's property owned by the Customer and that Customer is responsible for all damages resulting from Customer's failure to do so and releases and indemnifies the District from any claims for damages resulting from Customer's failure to accurately identify and mark such facilities.
