MCKINNEY WATER DISTRICT

RULES AND REGULATIONS

Dear _____

It has come to the District's attention your basic water service is being used contradictory to the tariffs of the McKinney Water District (and your water user agreement).

Under our tariffs, which are rules and regulations governing water usage, there is a strict requirement of one usage per meter. In other words, only one residence, business, etc. may be served by each meter.

The reason for this rule is obvious. McKinney, and all water companies charge a basic rate for the first 1,000 gallons of water used from a meter, with descending rates for various amounts after the first 1,000 gallons. If more than one residence is hooked up to a meter, McKinney loses money every month as a result.

Therefore, we are issuing letters to the customers whom we believe have more than one entity on a meter.

You have 60 (sixty) days to contact the McKinney Water District to allow our maintenance man to come to your property and assist you in terminating the illegal service lines, and assist you in establishing a legitimate water supply for all additional users.

Failure to comply to this letter could result in ~~loss of~~ ^{PUBLIC SERVICE COMMISSION} water service. OF KENTUCKY EFFECTIVE
