RATES AND CHARGES

Service Connection Fee Based on Meter Size for Metered Service

Size of Connection

Charge

5/8-Inch x 3/4-Inch¹

\$1,225.00 (I)

All Connections Greater than 5/8-inch²

Actual Cost

¹ District's standard service. Standard Connections requiring a road bore or creek crossing shall be assessed the additional actual cost. In addition, any extra depth requirements and rock, which cannot be excavated by normal means (e.g., backhoe) and any additional length of service lateral will be charged at actual cost. Cost estimate for such work will be provided to the Customer prior to installation.

² Non-standard service connection

Any customer receiving a free or reduced tap fee as a result of project funding or government appropriated funds must connect their plumbing and begin using the District's water service within sixty (60) days and shall begin receiving a bill at the current water rates.

Note: Any customer applying for a water connection may pay the connection fee on an installment plan at 0% interest. The installment plan would require 50% of the Service Connection Fee up front with the remainder payable in up to 6 monthly installments at the Customer's choosing. The District will proceed with installation and connection of the service once the first 50% of the Service Connection Fee, along with any required security deposit, is paid and the customer has completed and provided any necessary documentation.
