FHA 442-30 (Rev. 4-19-72)

2. (Point of Delivery and Pressure) That water will be furnished at a reasonably constant pressure calculated See Memorandum

Of Agreement from an existing various inch main supply at a point located

as designated in the Memorandum of Agreement

If a greater pressure than that normally available at the point of delivery is required by the Purchaser, the cost of providing such greater pressure shall be borne by the Purchaser. Emergency failures of pressure or supply due to main supply line breaks, power failure, flood, fire and use of water to fight fire, earthquake or other catastrophe shall excuse the Seller from this provision for such reasonable period of time as may be necessary to restore service.

3. (Metering Equipment) To furnish, install, operate, and maintain at its own expense at point of delivery, the necessary metering equipment, including a meter house or pit, and required devices of standard type for properly measuring the quantity of water delivered to the Purchaser and to calibrate such metering equipment whenever requested by the Purchaser but not more frequently than once every twelve (12) months. A meter registering not more than two percent (2%) above or below the test result shall be deemed to be accurate. The previous readings of any meter disclosed by test to be inaccurate

shall be corrected for the <u>twelve (12)</u> months previous to such test in accordance with the percentage of inaccuracy found by such tests. If any meter fails to register for any period, the amount of water furnished during such penod shall be deemed to be the amount of water delivered in the corresponding period immediately prior to the failure, unless Seller

and Purchaser shall agree upon a different amount. The metering equipment shall be read on 15th day of the month An appropriate official of the Purchaser at all reasonable times shall have access to the meter for the purpose of venitying its readings.

4. (Billing Procedure) To furnish the Purchaser at the above address not later than the <u>20th</u> day of each month, with an itemized statement of the amount of water furnished the Purchaser during the preceding month.

Β. The Purchaser Agrees:

1. (Rates and Payment Date) To pay the Seller, not later than the 20th day of the next. delivered in accordance with the following schedule of rates:

5 ______ for the first ______ gallons, which amount shall also be the a. minimum rate per month.

b. S ______ cents per 1000 gallons for water in excess of ______ gallons but

less than _____ gallons.

_____ gallons. c. S _____ cents per 1000 gallons for water in excess of _____

- d. Flat Wholesale Rate = \$1.31 per 1,000 gallons
- e. The purchaser further agrees to pay the seller a tap-on fee at each of the purchase points in accordance with Articles 6, 7, and 8 of the attached Memorandum of Agreement.

PURSUAN: TO 807 KAR 5:011, SECTION 9(1), Bearing Alle 13Y: _1 FUBLIC GERVICE COMMISSION MANAGER

2. (Connection Fee) To pay as an agreed cost, a connection fee to connect the Seller's system with the system

of the Purchaser, the sum of <u>See 8.1.e</u> dollars which shall cover any and all costs of the Seller for installation above

of the metering equipment and <u>See Articles 6, 7 and 8 of the attached Momoral lim</u> of Agreement.

C. It is further mutually agreed between the Seller and the Purchaser as follows:

1. (Term of Contract) That this contract shall extend for a term of <u>40</u> years from the date of the initial delivery of any water as snown by the first bill submitted by the Seller to the Purchaser and, thereafter may be renewed on extended for such terms, as may be agreed upon by the Seller and Purchaser.

2. (Delivery of Water) That <u>30</u> days prior to the estimated date of completion of construction of the Purchaser's water supply distribution system, the Purchaser will notify the Seller in writing the date for the initial belivery of water.

3. (Water for Testing) When requested by the Purchaser the Seller will make available to the contractor of the point of delivery, or other point reasonably close thereto, water sufficient for testing, flushing, and trench filling the system of the Purchaser during construction, irrespective of whether the metering equipment has been installed at that time, at a

flat charge of S See item B.1. Putrich will be paid by the contractor or, on his failure to pay, by the Purchaser.

4. (Failure to Deliver) That the Selier will, at all times, operate and maintain its system in an efficient manaand will take such action as may be necessary to furnish the Purchaser with quantities of water required by the Purchasen. Temporary or partial failures to deliver water shall be remedied with all possible dispatch. In the event of an extended shortage of water, or the supply of water available to the Selier is otherwise diminished over an extended period of time, the supply of water to Purchaser's consumers shall be reduced or diminished in the same ratio or proportion as the supply to Selier's consumers is reduced or diminished.

5. (Modification of Contract) That the provisions of this contract pertaining to the schedule of rates to be paid by

the Purchaser for water delivered are subject to modification at the end of every ______year period. Any increase or decrease in tates shall be based on a demonstrable increase or decrease in the costs of performance hereunder, but such costs shall not include increased capitalization of the Seller's system. Other provisions of this contract may be modified or altered by mutual agreement.

6. (Regulatory Agencies) That this contract is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State and the Seller and Purchaser will collaborate in obtaining such permits, certificates, or the like, as may be required to comply therewith.

7. (Mucellaneous) That the construction of the water supply distribution system by the Purchaser is being financed by a loan made or insured by, and/or a grant from, the United States of America, acting through the Farmers Home Administration of the United States Department of Agriculture, and the provisions hereof pertaining to the undertakings of the Purchaser are conditioned upon the approval, in writing, of the State Director of the Farmers Home Administration.

E. (Successor to the Purchaser) That in the event of any occurence rendering the Purchaser incapable of performing under this contract, any successor of the Purchaser, whether the result of legal process, assignment, or otherwise, shall succeed to the rights of the Purchaser hereunder.

*See Article 1 of the attached Memorandum of Agreement.
