RULES AND REGULATIONS

I. SERVICE REQUIREMENTS.

A. Application. Any person or other entity holding property having reasonable accessibility to the source of and who is in need of having water supplied to his place of occupancy or property may apply for service by U. S. 60 Water District ("District"). All customers shall sign such documents, including the contract for water service, as may be provided and required by the District, provided that no person or entity otherwise eligible shall be permitted to become a customer of the District if the capacity of the District's water system, either in general or as to a particular area or line, is exhausted by the needs of its existing customers.

B. Tap-on Fees. A tap-on fee of FIVE HUNDRED FIFTEEN (\$515.00) (I)* DOLLARS shall be made for each new meter installation where a 5/8 by 3/4 inch meter is used regardless of location. A tap-on fee of SIX HUNDRED (I)* FIFTEEN (\$615.00) DOLLARS shall be made for each new meter installation where a one inch meter is used regardless of location. The tap-on fee for meters exceeding one inch shall be the actual cost incurred by the District in purchasing and installing that particular new meter.

C. Deposit and Interest. The District will require a minimum (C) cash deposit or other guaranty to secure payment of bills except for customers qualifying for service re-connection pursuant to 807 KAR 5:006, Section 15, Winter Hardship Re-connection. Service will be refused or discontinued for failure to pay the requested deposit. Interest, as required by KRS 74.085, will be paid annually on the deposit, either by refund or credit to the customer's bill, except that no refund or credit will be made if the customer's bill is delinquent on the anniversary date of the deposit.

The District may at its discretion waive a customer's deposit upon (C) a showing of satisfactory credit or payment history. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The District may require a deposit in addition to the initial deposit if the customer's classification of service changes or if there is a substantial change in usage. Upon termination of service, the deposit

RULES AND REGULATIONS

- J. Inspection of Service Line. In the installation of a service line, the customer shall leave the trench open and pipe uncovered until it is inspected by the District and shown to be free from any tee, branch connection, irregularity, or defect.
- K. Customer's Cut-off Valve. The customer shall furnish and maintain a private cut-off valve on the customer's side of the meter.
- L. Separate Meters. A separate meter shall be installed for service to each residential or business unit. The customer will not permit anyone else to connect to the District's water line or meter or the customer's service line without the prior written consent of the District. Water furnished for a given residential or business unit shall be used on that unit only.

II. DISCONTINUANCE OF SERVICE.

- A. Involuntary Termination. The District may in accordance with 807 KAR 5:006 Section 11 refuse to connect or may remove the meter and/or discontinue service for the following reasons:

1. Violation of (1) any of its Rules and Regulations, or (2) any of the provisions of the Schedule of Rates and Charges, or (3) any of the provisions of the Contract for Water Service or other documents signed by the customer, provided the required 10 day written notice has been given.

RULES AND REGULATIONS

- B. All Bills. Bills will be rendered monthly. Bills are due when rendered. If not paid within ten (10) days of the date they are mailed by the District, a penalty equal to ten percent (10%) of the bill will be applied and a 10-day notice of intended disconnection may be mailed. If a bill remains unpaid twenty (20) days after it is mailed, and the customer has been given the minimum 48-hour written notice required by 807 KAR 5:006 Section (3)(a), the service will be discontinued. Should the final date for payment of the bill fall on a Sunday or holiday the business day next following the final date will be held as a day of grace for delivery of payment. Failure to receive bills or notices shall not prevent such bills from becoming delinquent nor relieve the customer from payment.
- C. Responsible Person. The person or entity who signs the Contract for water service or its equivalent shall be responsible for payment of all bills incurred in connection with the service rendered.
- D. Bad Check Fee. The District may charge the customer any service charge which the District pays as a result of the customer's bad check.
- E. Tax Surcharge. In addition to the collection of regular rates, the District may collect from the customer a proportionate share of any privilege, sales use or other tax or fee which may be imposed.

RULES AND REGULATIONS

- G. Rates. Bills for water will be figured in accordance with the District's published rate schedule and will be the larger of (1) the minimum bill or (2) the bill based on the amount consumed for the period covered by the meter readings.

IV. CHARGES FOR SPECIAL MISCELLANEOUS SERVICES.

- A. Meter Test Request. Upon request a customer may have his meter tested and adjustments will be made to the bill where the meter is found to be more than two (2) percent fast or slow in accordance with 807:KAR 5:006, Section 9. This test will be without charge provided the request by the customer is not more frequent than once each twelve months.

RULES AND REGULATIONS

VI. DISTRICT'S OBLIGATIONS.

- A. Installation and Maintenance of Water Lines. The District will install, maintain and operate at the District's cost a main pipeline or lines from the source of water supply to a point on the property of each customer, designated as the delivery point, where a meter to be purchased, installed, owned and maintained by the District, shall be placed. The District will also purchase and install a cut-off valve in each service line from its main distribution line or lines, such cut-off valve to be owned and maintained by the District and to be installed on some portion of the service line owned by the District. The District shall have the sole and exclusive right to the use of such cut-off valve.
- B. District's Liability. The District shall not be liable for damage of any kind whatsoever resulting from water or the use of water on the customer's premises, unless such damage results directly from negligence on the part of the District. The District shall not be responsible for any damage done by or resulting from any defects in piping, fixtures, or appliances on the customer's premises. The District shall not be responsible for negligence of third persons, or forces beyond the control of the District resulting in any interruption of service.
- C. Interruption of Service. The District will use reasonable diligence in supplying water service, but shall not be liable for tort or breach of contract in the event of, or for loss, injury, or damage to persons or property resulting from interruptions in service, excessive or inadequate water pressure, or otherwise unsatisfactory service, whether or not caused by negligence.

- D. No Fire Protection Service. The District provides only domestic water service to rural residences and businesses. The District does not provide fire protection to its customers or to others. Fire protection must be provided on site by the customer using means other than the District's distribution system.
- E. Fire Hydrants. The fire hydrants installed on the distribution lines of this District are for the sole purpose of flushing the lines, or other uses by the District necessary for proper maintenance of the lines. The District is not responsible for, nor does it guarantee, any minimum pressure or flow at these hydrants, other than the minimum required by the Public Service Commission for distribution lines. If these fire hydrants are used by fire protection units in the performance of their duty, any damage to the distribution lines resulting from excessive pumping pressure will be the liability of that unit.
- F. Minimum Line Size. The District shall not install any new distribution water lines or accept any existing distribution water lines less than four (4) inches in diameter. A service line leading to a customer's single meter may be a smaller diameter.
- G. Monitor Bills For Unusual Variance. The District shall continue computer monitoring of the customer's meter readings for unusual usage variances, which monitoring process shall include a printout, prior to actual billing, of any such unusual variances. If the customer's usage is unduly high and the deviation is not otherwise explained, the District shall test the meter in accordance with 807 KAR 5:006, Section 9.
