CANCELLING P.S.C. KY. NO. 1

SHEET NO. _____

II. RULES AND REGULATIONS

G. WATER MAIN EXTENSIONS AND FACILITY RELOCATIONS

1 Water Line Extension. An applicant desiring to extend the District’s facilities to serve a proposed development or any other area will be required to pay the entire cost of the extension. If existing water system facilities are not adequate to supply the proposed extension, the entire cost to upgrade existing facilities as required to accommodate the proposed extension shall also be paid by the applicant. An agreement for facility extensions must be executed by the applicant, a copy of which is provided as Attachment B.

The extension agreement provides for reimbursement to the applicant who paid for the extension (therein called the Developer) in an amount equal to one-half of the tap-on fee for each meter connected directly to the subject extension. Since this reimbursement amount is approximately equal to the cost of 50 feet of water main, this refund method is established in lieu of the District extending the main 50 feet without charge for each meter connected.

Individual service applications connected to such an extension will be in accordance with the District’s approved tariffs.

2. Relocation of Water Facilities. The District may, at the request of the customer, relocate or change existing District-owned equipment. Customer shall reimburse District for such changes at actual cost including appropriate overhead.
