RULES AND REGULATIONS

FIRE PROTECTION: The District's system is not designed nor intended for use for fire protection in any manner whatsoever. Any customers using same for fire protection does so at his own full and sole responsibility and risk. The District makes no warranty as to the sufficiency of the water supply or the adequacy of the water pressure at any time. Customers are notified of this disclaimer in their water user contract.

METER MAINTANCE: It is the responsibility of each customer to keep meter clear of any trees, bushes, or shrubs and free of foreign objects that would interfer with reading of the meter.

FAILURE OF METER: Where a meter has ceased to register, or meter reading could not be obtained, the quantity of water consumed will be based upon an average of the prior six months consumption and the conditions of water service prevailing during the period in which the meter failed to register. Should a prior six month base evaluation period not be available, then quantity shall be estimated by District's engineer.

READING OF METER: Meters will generally be read between the 1st and the 12th of the month. However the District reserves the right to estimate bills and/or to vary the dates or length of period covered, if necessary or desirable due to inclement weather or other reason.

SALE OF WATER: Water furnished by the District may be used for domestic consumption by the customer's household or business only. (ONE HOUSEHOLD PER METER) The customer shall not sell donate, or give water to anyone except those members of his household.

FIRE HYDRANTS: Conventional fire hydrants will be installed only on 6 inch or larger water mains and only when a professional engineer with a Kentucky registration certifies that adequate and reliable fire flows can be obtained in conformance with good engineering practice.
