CONTRACT FOR WATER SERVICES

It is understood and agreed that the District reserves the right to determine the size of service connection to be used to supply water. A five-eighths (5/8") meter will be used unless otherwise approved by the Board of Commissioners.

This Contract does not give Customer the right to resell or give away water purchased hereunder. Only one household per meter.

Customer's rights hereunder are subject to such further rules and regulations as the District Commissioners may prescribe. The District may terminate any customer's service upon his failing to pay a water bill when thirty (30) days past due or for violating a District regulation.

Deposits to insure payment of monthly water bills and penalties on delinquent water accounts shall be as the District may hereinafter prescribe.

The signing of the Contract by a Commissioner of the Water District is by authority of the Board of Commissioners, and said execution thereof is in his official capacity only, and said commissioner shall not be personally liable on this contract.
