Bobby Conger
Honorable Mayor and City Council
Fredonia

Dear Mr. Conger, Honorable Mayor and City Councilmen:

You were notified on June 7, 1988, by Eddyville Water Superintendent, George Crady, that the Eddyville City Council had voted to have a increase in water rates due to the increasing expenses being incurred by the Eddyville Water Department. The City Council passed a rate increase ranging from 14% to 52%, with the average increase being 18%. Fredonia's new rate will show an increase of 18%, making the new rate \$1.39 per 1,000 gallons used.

The bill which you will receive in September will reflect this rate increase. We feel this should give you ample time for you to adjust your rates accordingly.

Sincerely,

Jerry Peek
Mayor Pro Tem
