.05 Security Deposits

The Utility may require from all customers, as a guaranty or surety, a cash deposit equal to two-twelfths (2/12ths) of the estimated annual bill of such customer or applicant. The minimum deposit shall be \$50.00 for residential customers and \$150.00 for industrial and commercial customers; provided however, that such sums do not exceed 2/12ths of the estimated annual bill of such customer or applicant. Such deposit, less any unpaid amounts for services rendered, shall be returned upon the discontinuance of service.

Where the monthly bills are in excess of the deposit, or where the customer has delinquent bill(s), the Company may require the deposit to be increased; but such deposit shall not exceed the amount of two-twelfths (2/12ths) of the maximum estimated annual consumption of such customer or applicant.

Interest will be paid at the rate of six (6%) percent per annum. Interest will be calculated on October 31 for all customers with deposits on file. The interest will be applied as a credit to the customer's bill that is rendered during November. Upon request for customer's discontinuance of service, interest will be calculated for the time period since the previous October 31 or from the date on the original security deposit receipt depending on which date is the most recent.

No deposit shall be required of any receiver or trustee operating a business requiring utility service under an order of any court.

The security deposit may be refunded to an active customer who has a perfect payment record for the previous twelve month period. A perfect payment record shall be defined as a customer who has not been delinquent for any day during the most recent twelve month period.

RULES AND REGULATIONS

No deposit shall be required of any receiver or trustee operating a business requiring utility service under an order of any court.

.06 Resell of Service:

Except in cases where the customer has a special contract with the Utility, no customer shall resale any service purchased from the Utility.

.07 Uniform Service:

The Company will endeavor to supply electric service continuously and without interruption; however, the company shall not be responsible in damages or otherwise for any interruption in the supply when such a failure is without willful fault or neglect on its part.

.08 Monthly Bills:

(a) Bills for electric service will be rendered monthly unless otherwise specified. The term "month" for billing purposes shall mean the period between any two consecutive readings of the meter by the Company, such readings to be taken as near as practicable every thirty (30) days.

(b) Bills are due and payable within a period not exceeding ten (10) days.

(c) Failure to receive a bill does not exempt a customer from these rules and regulations.

(d) When the Utility is unable to read a meter after a reasonable effort or where the meter fails to operate, the

Service shall be subject to discontinuance to any customer for nonpayment of bills, including delayed charges. The Utility shall give the customer at least ten (10) days written notice, but the cut-off date shall not be effected before twenty-seven (27) days after the mailing date of the original bill. If prior to discontinuance of service, there is delivered to the Utility office or to its employee empowered to discontinue service, the payment of the amount in arrears, including delayed charges, then discontinuance of service shall not be made, or where a written certificate is filed signed by a physician, registered nurse or public health officer stating that, in the opinion of the person making the certification, discontinuance of service will aggravate an existing illness or infirmity on the affected premises. In such latter event, service shall not be discontinued until the affected resident can make other living arrangements or until thirty (30) days elapse from the time of the Utility's notification to the customer in writing of the existence of local, state and federal programs providing for payment of Utility bills under certain conditions and of the offices to contact for such possible assistance. Any written notice for discontinuance of service shall advise the customer of his rights and the reason for such discontinuance.

.10 Fraudulent or Illegal Use of Service:

When the Utility has discovered evidence that by fraudulent or illegal means a customer has obtained unauthorized service or has diverted the service for an unauthorized use, or has obtained service without same being properly measured, the service to the customer may be discontinued upon forty-eight (48) hours written notice. The Utility shall not be required to restore the service until the customer has complied with all of the rules of the Utility and regulations of the commission and the Utility has been reimbursed for the estimated amount of services rendered and the cost to the Utility incurred by reason of the fraudulent use.

.11 Special Charges:

The Utility shall be entitled to the following special charges:

- (a) A ten (10%) percent late payment charge will be added if any bill is not paid by the tenth (10th) day after billing date.
- (b) In the event service is discontinued, an additional \$10.00 reconnect fee will be charged to any customer.
- (c) A special charge of \$10.00 may be made for any check returned from any financial institution by reason of insufficient funds or otherwise.

.12 Point of Delivery. The point of delivery is the point as designated by the Utility on customer's premises where current is to be delivered to buildings or premises.

(d) Easements. The applicant shall furnish at no expense to the Utility all right-of-way and easements required to serve said proposed subdivisions.

.03 Other Extensions.

(a) When an extension of the Utility's line to serve an applicant or group of applicants amounts to more than one thousand (1,000) feet per customer, the applicant shall be required to place on deposit with the Utility an amount equal to the entire cost of the excessive footage over one thousand (1,000) per customer based on an estimate prepared by the Utility of the average cost per foot of the total extension. Said estimated cost per foot shall be adjusted to the actual cost per foot, at such time as the extension has been completed.

(b) Service Drop. The "Service Drop" shall not be considered a part of the extension.

(c) Refund. Each year for a period of ten (10) years, the Utility shall refund to the applicant or applicants who paid for the excessive footage the average cost of one thousand (1,000) feet of the extension for each additional customer connected during the year whose service line is directly connected to the extension installed and not to extensions or laterals therefrom, but in no case shall the total amount refunded exceed the amount of deposit with the Utility. After the end of the refund period, no refund shall be made.

ARTICLE IV

RESIDENTIAL CLASS I ELECTRIC BUDGET PLAN

.01 General.

Berea College Electric Utility has a budget plan available for the convenience of its residential customers who have been receiving service for a minimum of twelve months. The plan is designed to help equalize payments for electric service over a period of months, normally July through June for service rendered June through May. On the last month of the budget payment period (June) appropriate adjustments shall be made relative to any difference in the customer's total payments actual usage billing amounts. Any resultant overpayment shall be refunded on the June bill. Any resultant underpayment shall appear on the June bill and be due with payment of such bill.

.02 Review.

The customer's account shall be reviewed periodically and the monthly payment amount may be adjusted during the budget period because of changes in electric usage and/or approved rate changes.

.03 Continuance.

It is understood that this budget billing plan will continue until the customer notifies Berea College Electric Utility in person, in writing, or by telephone to discontinue the plan or the customer defaults in payment of such plan.

To be accepted as a budget customer, the account balance must be paid in full before the customer is put on budget billing.

The budget payment plan is available beginning with the JULY, 1980 billing.
