Date Adopted: 6/5/73

SUBJECT: Electric Underground Extensions,
New Residential Subdivisions

OBJECTIVE: To establish procedure for providing
underground extension in new subdivisions.

Policy:

A. Purpose of Policy

The purpose of this policy is to formulate Fox Creek RECC requirements for underground electrical service, the application of which will insure adequate service and safety to all persons engaged in the construction, maintenance, operation or use of underground facilities and to the public in general.

B. Applicability

This policy shall apply to all underground electrical supply facilities used in connection with electric service distribution in new residential subdivisions after the effective date of this policy.

RULES AND REGULATIONS

1. METER READING: USE OF SELF BILLING SYSTEM: Meter reading material is supplied to each member by the Cooperative. Readings are to be marked and computed on the 24th of each month, and mailed promptly to the Cooperative office. Readings not received by the first day of the following month will be estimated. On the third consecutive estimate, an employee of the Cooperative will read the meter and a \$5.00 service charge will be added to such members' account.

2. BILLING: USE OF SELF BILLING SYSTEM: Payment of electric service bills are due the 24th of each month. Payments not received by the 10th of the following month are delinquent. Upon 5 day written notice to member, anytime thereafter the Cooperative may discontinue service, or should a home call be required for collection, a collect fee of \$5.00 plus \$5.00 reconnection fee may be added to the member's bill if during working hours. Should a reconnection be made after working hours or on legal holidays, such fee will be \$15.00.

3. DELINQUENT PAYMENTS: The Cooperative may add a service charge in the sum of \$5.00 to any members account who undertakes to pay members bill for electric service rendered with a check or other instrument of writing which is not honored on presentment for payment on the bank or other financial institution drawn, and returned marked insufficient funds, accounts closed, erroneous signature or for other reason. Further upon written notice to member that such check or instrument has not been honored such member is required to pay said obligation to the Cooperative, with service charge added, within 10 days from date notice thereof is mailed, and upon failure to so pay such members service may be discontinued by disconnection.

No further service will be given such person until all prior obligations to Cooperative are paid and such applicant shall have made the deposits and fulfilled all rules and regulations applying to such person as a new member.

4. MEMBERSHIPS: Each prospective member or customer desiring electric service may be required to sign the Cooperative's standard form of membership application in his or her own name before service is supplied by the Cooperative.

RULES AND REGULATIONS

The Cooperative shall reserve the right to refuse service to any applicant indebted to the Cooperative for any reason. The Cooperative further reserves the right to refuse service to any person, requesting service under a land-owner membership, if said applicant is indebted to the Cooperative for any reason.

5. DEPOSIT: A deposit or suitable guarantee not exceeding twice the average monthly bill may be required of any member or customer before electric service is supplied. Cooperative may at its option return deposit to customer after one year. Upon termination of service, deposit may be applied by Cooperative against unpaid bill of member or customer, and if any balance remains after such application is made, said balance shall be refunded to member or customer.

6. POINT OF DELIVERY: The point of delivery is the point, as designated by Cooperative, on member or customer's premises where current is to be delivered to building or premises. All wiring and equipment beyond this point of delivery shall be maintained by the member or customer.

7. MEMBER OR CUSTOMER'S WIRING STANDARDS: All wiring of member or customer must conform to Cooperative requirements and accepted modern standards, as exemplified by the requirements of the National Electrical Safety Code, and the National Electric Code.

8. INSPECTIONS: Cooperative shall have the right to inspect, but shall not be obligated, any installation before electricity is introduced or at any later time, and reserves the right to reject any wiring or appliances not in accordance with Cooperative's standards but such inspection or failure to inspect or reject shall not render Cooperative liable or responsible for any loss damage resulting from defects in the installation, wiring or appliances, or from violation of Cooperative's rules or from accidents which may occur upon member or customer's premises.

9. Underground service to new homes will be furnished by the Cooperative upon request provided the owner, at his expense, opens and closes the trench from the pole to the point of meter location in

accordance with the specifications hereinafter set out. Underground services to existing homes will be installed under the provisions of this policy.

10. MEMBER OR CUSTOMER'S RESPONSIBILITY FOR COOPERATIVE'S PROPERTY: All meter, service connections and other equipment furnished by Cooperative, shall be, and remain, the property of the Cooperative. Member or customer shall provide a space for, and exercise proper care, to protect the property of Cooperative on its premises and in the event of loss or damage to Cooperative's property, arising from neglect of member or customer to care for same the cost of necessary repairs or replacement shall be paid by member or customer.

11. RIGHT OF ACCESS: Cooperative's identified employees shall have access to member or customer's premises at all reasonable times for the purpose of reading meters, testing, repairing, removing, or exchanging any or all equipment belonging to Cooperative.

12. TERMINATION OF CONTRACT BY MEMBER OR CUSTOMER: Member or customer who have fulfilled their contract terms and wish to discontinue service must give at least three (3) days written notice to that effect, unless contract specifies otherwise. Notice to discontinue service prior to expiration of contract term will not relieve member or customer from any minimum or guaranteed payment under any contract or rate.

13. INTERRUPTION OF SERVICE: The Cooperative will use reasonable diligence to provide a regular and uninterrupted supply of current, but in case the supply of current shall be interrupted for any cause, Cooperative shall not be liable for damages resulting therefrom.

14. VOLTAGE FLUCTUATIONS CAUSED BY MEMBER OR CUSTOMER: Electric service must not be used in such a manner as to cause unusual fluctuations or disturbances to Cooperative system. Cooperative may require member or customer, at his own expense to install suitable apparatus which will reasonably limit such fluctuation.

RULES AND REGULATIONS

15. **ADDITIONAL LOAD:** The service connection, transformer, meter and equipment supplied by Cooperative for each member or customer have definite capacity, and no addition to the equipment or load connected thereto will be allowed except by consent of Cooperative. Failure to give notice of additions or changes in load and to obtain Cooperative's consent for same shall render the member or customer liable for any damage to any of Cooperative's lines or equipment caused by the additional or changed installation.

16. **STANDBY AND RESALE SERVICE:** All purchased electric service (other than emergency and standby service) used on the premises of member or customer shall be supplied exclusively by Cooperative, and the member or customer shall not directly or indirectly, sell, sublet, assign, or otherwise dispose of the electric service or any part thereof, without permission of Cooperative.

17. **NOTICE OF TROUBLE:** Member or customer shall notify Cooperative immediately, should the service be unsatisfactory for any reason, or should there be any defects, trouble or accidents affecting the supply of electricity. Such notice, if verbal should be confirmed in writing.

18. **NON-STANDARD SERVICE:** The member or customer shall pay the cost of any special installation necessary to meet his requirements for service at other standard voltages, or for the supply of closer voltage regulation than required by standard practice.

19. **SERVICE CALLS:** If a member or customer makes a request for a service call from the Cooperative to do special work on their premises or equipment other than the Cooperative's property, a minimum charge of \$5.00, plus 10¢ per mile, plus the hourly rate of employees applicable at time such request is made (regular or overtime), and be it further known that the Cooperative is not liable or responsible in any way for work done on member or customer's premises for said service calls.

20. INSTALLATIONS FOR SHORT PERIODS OF TIME: At the request of a member or customer for a meter installation for a short period of time, the Cooperative will charge in advance a minimum of two months bill plus \$10.00 connection fees for such service. This shall apply for 1 day, 1 week, 1 month, or 2 months service. Any extension beyond 2 months, additional monthly charges shall be made.

21. FILING AND POSTING: A copy of these RULES AND REGULATIONS, TOGETHER WITH A COPY OF COOPERATIVE'S SCHEDULE OF RATES AND CHARGES, shall be kept open to inspection at the office of Cooperative.

22. SCOPE: This SCHEDULE OF RULES AND REGULATIONS is a part of all contracts for receiving electric service from Cooperative, and applies to all service received from Cooperative whether the service is based upon contract, agreement, signed application, or otherwise.

23. REVISIONS: These RULES AND REGULATIONS may be revised, amended, supplemented, and otherwise changed from time to time. Such changes, when effective, shall have the same force as the present RULES AND REGULATIONS.

24. CONFLICT: In case of conflict between any provisions of any rate schedule and the SCHEDULE OR RULES AND REGULATIONS, the rate schedule shall apply.

25. DATE OF APPROVAL: These RULES AND REGULATIONS were approved by the Board of Directors of Fox Creek Rural Electric Cooperative at their regular board meeting on April 2, 1970.

BETWEEN MEMBER AND UTILITY

Fox Creek Rural Electric Coop. Corp.
Lawrenceburg, Kentucky

FILED
MAR 25 1957
PUBLIC SERVICE
COMMISSION

POLICY: Billing Date (152)

The meter reading date of this Cooperative shall be the 24th of each month. The spot checking of meters will be read consecutively on this date.

POLICY: Final Bills (153)

Final bills shall be rendered upon request by the consumer accountant, when service is discontinued.

POLICY: Bad Checks (154)

When checks of this kind are received and are returned from the bank, the consumers accountant shall prepare a letter to the consumer, for the signature of the Manager, requesting that "it" be taken care of at once, and all penalties., if any, shall be applied. After delinquent date if the bill has not been paid, it shall be given to the collector, who shall either collect the account or remove the meter and discontinue service.

POLICY: Collection of Electric Bills (100)

All users shall be given ten (10) days of grace after the mailing of the final notice, and in all cases where the bill is not paid on or before the expiration of the tenth day of grace, a service charge of two (\$2.00) dollars shall be collected from each such member of consumer, for each trip made by a Cooperative employee, to collect such bills. In all cases where meters are removed a reconnection charge of \$2.00 shall be made before electric service is restored. The Cooperative will endeavor to collect all accounts that are delinquent and are disconnected, and such accounts must be paid before electric service will again be rendered the member or consumer at this or any other location. The Manager shall prepare a list semiannually of all delinquent accounts and request the Cooperative attorney to collect said accounts.

C-2-77

2

Fox Creek Rural Electric Coop. Corp.
Lawrenceburg, Kentucky

POLICY: Money Received, for Less Than Full Amount of Bill (155)

1. When a consumer sends the net amount of the bill and the postmark thereon delinquent, the consumer shall be credited with net amount added to the next bill.
2. When a consumer sends in less than the full amount, and in the opinion of the Manager was done in error, the amount received shall be credited to the consumer's account and the Manager or Bookkeeper shall prepare a letter to the consumer, notifying the consumer of the error. If the consumer does not correct the error, the deficiency shall be charged on the next bill.
3. If the same as (No. 2) occurred, and in the opinion of the Manager was not an error, then the Manager or Bookkeeper would prepare a letter to the consumer notifying the consumer, and if not paid service would be discontinued.

POLICY: Checks Received for Less Than Amount of Bill (61)

All checks received for less than amount of bill shall be credited to his account and send a letter informing the consumer the correct amount the check should be written for and penalty, if any, shall be applied.

POLICY: Consumer's Equipment on Cooperative's Poles (177)

Member's or consumer's equipment shall not be permitted on any Coop. poles except the service pole serving the particular member or consumer.

POLICY: Delinquent Bills (160)

All members or consumers must pay all bills (delinquent) owing the Cooperative regardless of the location at which the member or consumer moved from or location the member or consumer is moving to, before the Cooperative will again render electric service to that member or consumer or their family.

POLICY: Electric Heating (118)

The Cooperative shall not connect any electric heating installation which comprises the major source of heat unless;

Prior to the installation of electric heating facilities in either a residential or commercial building served by the Cooperative, the consumer shall give to the Cooperative not less than thirty (30) day's notice of the intention to install such electric heat.

The plans and specifications for the installation of electric heat in either a residential or commercial building shall be submitted to the Cooperative for its approval prior to the installation of such electric heating equipment. The Cooperative shall make such recommendations with regard to the size of the electric heaters, location of the same, insulating material to be used in the building, and such other alterations or additions that may be deemed by the Cooperative necessary to make an efficient installation of electric heat. All installation of electric heating facilities shall be installed in accordance with the recommendations of the Cooperative.

POLICY: Line Extension, Special Charges (71)

For Construction of any extension of our lines where special charges will be necessary for this construction, the Cooperative will work out the details for each specific job at the time of application, and shall be based on the cost of construction.

POLICY: Membership Fee (3)

Article 1 Section 2 of the By-laws

The membership fee shall be fifteen (\$15.00) dollars. One membership must be held in connection with each separate or non-contiguous property for which service is taken and for each different class of service desired.

POLICY: Wiring (40)

Prior to the connection of the electric lines of the cooperative to any building either residential, commercial, business, factory, or any type whatever, the owner thereof or the person desiring electric service shall furnish to the Cooperative a certificate fo an inspector, showing that the wiring in said building fully complies with all of the rules and regulations of the National Electric C ode of the National Board of Fire Underwriters and is in a safe and satisfactory condition. Until such certificate has been furnished, the lines of the Cooperative are not to be connected to said premises; provided that this rule shall not apply where temporary service is desired on a pole or temporary building during the construction of any permanent building and service is to be of a temporary nature only.

When any of the employees of the Cooperative have notice or observe that the wiring in any building, to which electric energy is served by the Cooperative is in a condition so as to be dangerous to persons or property, such employee shall immediately notify the Manager of the Cooperative of such dangerous condition. If the Manager, upon investigation determines that such dangerous condition exists, he shall at once notify the consumer in writing that such condition exists and if not corrected within 15 day's service will be disconnected and restored to said premises until said building has been rewirēd and inspected and the certificate of the inspector showing that the wiring in said building complies with all the rules and regulations of the National Electric Code of the National Board of Fire Underwriters.

If is not intended by this rule that any of the employees of the Cooperative shall make any final inspection of the wiring of any of the consumers of the Cooperative and all employees of the Cooperative are expressly prohibited from making any final inspection of such wiring.

When new houses are constructed the roughin wiring may be inspected by a designated employee or Manager.

POLICY: Membership Certificates (120)

The Cooperative shall issue the form of membership certificate which has been approved and authorized by the Board of Directors to all members of the Cooperative, and upon request of any member, either future or present, the membership certificate will be issued in the name of the husband and wife as joint members at no additional cost to the member. All old membership certificates, upon request of the member may be cancelled and a new certificate issued to the husband and wife as joint membership (non transferrable).

POLICY: Membership Refunds (108)

The Cooperative shall refund any membership fee upon request of the member if the books of the Cooperative shows that the fee has been paid in full and not previously refunded. However, upon request for withdrawal of membership, the account of the member shall be settled and closed at the time of the removal of the meter or at the time of the meter reading, and that the membership fee may be applied to the payment of this final bill, any amount remaining will be refunded to the member. In the case of the loss or destruction of the membership certificate the member shall sign an affidavit so stating and the membership fee will be refunded.

POLICY. Meter Inspection in Service (185)

Upon complain relative to a meter for anything other than that it is running too fast, an inspection will be made at no charge to the member or consumer.

POLICY: Re-location of meters (189)

The Cooperative will spot a meter center at the request of a member or consumer, but will not move the meter center. The member or consumer's wireman will move the meter socket, service entrance and service wire. The Cooperative will then Re-connect their service and re-set the meter at the new location without cost to the member or consumer.

POLICY: Removal of Meters (188)

The Cooperative will remove meters on request of the member of consumer, and on failure by the member or consumer to pay their electric bill. If a consumer fails to reside at one location for a period of less than one month, the consumer will either forfeit one month's minimum or service charge of \$3.00. This left to discretion of the manager.

POLICY: Meter Reading (190)

The Cooperative employees shall read all power and or demand meters. All others shall be read each month by the member or consumer on meter reading postcard supplied by the cooperative. These cards shall be mailed promptly to the office of the Cooperative. The Cooperative will read each meter at least once each year. If consumer fails to mark and mail his or her meter reading card for three consecutive months, the Cooperative will read this meter and a \$2.00 service charge added to the regular bill the following month.

POLICY: Minimum Bills (156)

- (1) The minimum bill for residential and farm use shall be \$3.00 per month with an allowance of forth (40) kilowatt hours.
- (2) The minimum bill for commercial (small) use shall be \$3.00 per month, with an allowance of (40) forth kilowatt hours.

POLICY: Contracts, Minimum Bill (159)

All consumers minimum bill contracts shall run normally for (12) twelve consecutive months. However in case a member should have a location become vacant for a short period on months, the contract may be suspended for the period and again take effect when the location is occupied and continue until (12) monthly bills of at least the minimum amount if paid the Cooperative.

POLICY: Lines, Re-Location by Request of Consumer (94)

Lines will not be relocated unless the expense of moving is paid by the consumer, except in instances where it would be to the advantage of the Cooperative.
