RULES AND REGULATIONS

9. INSPECTIONS

Green River shall not initiate permanent electric service to a customer until a final certificate of approval, wherever applicable, shall have been issued by a certified electrical inspector, pursuant to 815 KAR 7:020 (16)(c)1.

10. REQUESTS FOR DISCONNECTS AND RECONNECTS OF EXISTING SERVICE

Any customer desiring service discontinued or changed from one address to another shall give Green River three (3) days advance notice, provided such notice does not violate any contractual obligations between Green River and the customer.

11. GREEN RIVER'S RIGHT TO DISCONTINUE OR REFUSE ELECTRIC SERVICE

(a) After proper notice, Green River may refuse or discontinue service to any applicant or customer in the event said applicant or customer:

(i) fails to comply with the rules and regulations of Green River, or with state, municipal or other codes, rules and regulations applying to such service; (ii) refuses or neglects to provide reasonable access to the premises; or (iii) fails to make payment for service when due.

(b) Green River shall, without advance notice, cut off or refuse service if a dangerous condition is found to exist on the customer or applicant's premises, provided Green River notifies the customer or applicant immediately of the reason for the discontinuance or refusal and the corrective action required in such regard.

(c) Green River may, without advance notice, cut off or refuse service to a customer for fraudulent or illegal use of service.
