RULES AND REGULATIONS

9. INSPECTIONS

Green River shall not initiate permanent electric service to a customer until a final certificate of approval, wherever applicable, shall have been issued by a certified electrical inspector, pursuant to 815 KAR 7:020 (16) (c) 1.

10. REQUESTS FOR DISCONNECTS AND RECONNECTS OF EXISTING SERVICE

Any customer desiring service discontinued or changed from one address to another shall give Green River three (3) working days advance notice, in person or in writing, provided such notice does not violate any contractual obligations between Green River and the customer.

11. GREEN RIVER'S RIGHT TO DISCONTINUE OR REFUSE ELECTRIC SERVICE

(a) After proper notice, Green River may refuse or discontinue service to any applicant or customer in the event said applicant or customer: (i) fails to comply with the rules and regulations of Green River, or with state, municipal or other codes, rules or regulations applying to such service; (ii) refuses or neglects to provide reasonable access to the premises; or (iii) fails to make payment for service when due.

(b) Green River shall, without advance notice, cut off or refuse service if a dangerous condition is found to exist on the customer or applicant's premises, provided Green River notifies the customer or applicant immediately of the reason for the discontinuance or refusal and the corrective action required in such regard.

(c) Green River may, without advance notice, cut off or refuse service to a customer for fraudulent or illegal use of service.

RULES AND REGULATIONS

(d) If discontinuance is for nonpayment of bill, customer shall be given at least ten (10) days written notice, separate from the original bill, and cutoff shall not be effected before twenty-seven (27) days after the mailing date of the original bill, unless prior to the discontinuance, a residential customer presents to Green River a written certificate signed by a physician, registered nurse, or public health officer certifying that such discontinuance will aggravate an existing illness or infirmity on the affected premises, and in which event discontinuance shall not be effected until said resident can make other living arrangements or until thirty (30) days have elapsed from the date Green River gives written notice to the customer of the existence of local, state and federal programs providing for the payment of utility bills under certain conditions and of the offices to contact for such possible assistance, whichever shall occur first.

(e) Should it become necessary for Green River to dispatch an employee to customer's premises for the purpose of collecting and/or disconnecting a delinquent account, a service charge of \$15 therefor shall be due and payable at the time such delinquent account is collected. Service terminated for reason of nonpayment or violation of Green River's rules and regulations, which is subsequently restored, shall be subject to an additional \$15 service charge if restoration is made during normal work hours, or a \$30 service charge if restoration is effected after normal work hours.

(f) For all cases of refusal or discontinuance of service as defined herein, where the cause has been corrected and all applicable rules and regulations shall have been complied with, Green River shall promptly render service to customer or applicant.

II. SERVICE PROCEDURES

14. APPLICATIONS

(a) All applicants for electric service shall execute Green River's form of Applications for Membership and Service in acknowledgement of the terms and conditions of electric service as cited therein and grant, convey and/or provide to Green River any and all necessary rights, privileges, permits and easements incidental to or connected with such electrical service.

(b) All applicants shall provide within ten (10) working days prior to the date service is required certain load data information in order that adequate facilities may be installed for the new service.

15. MEMBERSHIP FEE

Pursuant to Green River's bylaws, a membership fee of Five Dollars (\$5.00) shall be paid by all new customers. Only one membership is required of members with multiple accounts. Membership fees shall be refunded when all financial obligations are satisfied or may be applied against any unpaid bill of the member upon termination of electric service. Service will not be made available to a former customer until any indebtedness to Green River shall have been satisfied.

16. CUSTOMER DEPOSIT

(a) Green River may require from any customer or applicant for service a minimum cash deposit or other suitable guaranty to secure payment of bills of an amount not to exceed 2/12 of the estimated annual bill of such customer or applicant.

(b) Green River may waive the required deposit if the customer or applicant has an established reliable payment history with Green River or provides an acceptable guarantor for the deposit.

(c) If a customer or applicant provides to Green River an acceptable letter of credit from another utility evidencing a reliable payment history, Green River may, at its option, waive or refund said customer's deposit.

(d) Green River may, at its option, refund the customer's deposit after three years. In the event service is terminated, the deposit shall be applied against any unpaid balance of the customer and the remainder thereof, if any refunded to the customer.

(C) (e) Interest will be paid on all sums held on deposit at the rate of 6 percent annually. The interest will be applied as a credit to the customer's bill or will be paid to the customer on an annual basis. If the deposit is refunded or credited to the customer's bill prior to the deposit anniversary date, interest will be paid or credited to the customers's bill on a pro-rated basis. If interest is not credited to the customer's bill or paid to the customer annually, interest will be computed by a method which will result in an amount no less than that obtained by using a middle course method between simple and compound interest in compliance with Commission Order dated October 31, 1989 in Case No. 89-057. Interest on deposits computed in this manner will accrue until credited to the customer's bill or paid to the customer.

N (c) Monitoring Usage. The following procedure has been established for monitoring customer usage so as to detect any unusual deviations in individual customer usage and the reasons for such deviations:

The computerized billing system is programmed to automatically alert GREC to any consumer provided meter readings which would cause KWH usage to be significantly higher or lower than usual.

The criteria employed in the computer program to determine "high" usage is the current month's KWH usage is 200% higher than the prior month's KWH usage.

The criteria employed in the computer program to determine "low" usage is the current month's KWH usage is 50% less than the prior month's KWH usage.

29. AREA LIGHTING

Area lighting can be made available within Green River's service area upon execution of an appropriate contract.

- (T) (a) YARD LIGHTING. Green River will furnish, install, operate and maintain a photocell-operated and controlled outdoor lighting unit. Yard light units can be leased for a minimum term of one year. The rates for such lighting service shall be in accordance with Green River's applicable tariff, provided existing facilities can be utilized.

In the event existing facilities cannot be utilized, customer will be required to make an advance contribution equal to the estimated cost of labor and materials in excess of the cost to install the lighting unit on existing facilities.

Customer shall be responsible for losses due to vandalism.

- (b) STREET LIGHTS. Normally, street lighting fixtures and facilities are furnished and maintained by Green River at the rates specified in its applicable tariff. Special situations may, however, require that service terms and conditions be negotiated individually and mutually agreed upon.

- (N) Street lighting for subdivision street lighting districts, or similar entities organized under KRS 179.470, will be coordinated with the appropriate county fiscal court. The rates for such service shall be in accordance with Green River's applicable tariff.

- (c) CUSTOMER-OWNED LIGHTING FIXTURES AND FACILITIES. Green River will furnish electric service only to customer's private lighting system in accordance with an appropriate contract. If lighting is metered, individually or collectively, service will be installed in accordance with Paragraph 27(d) hereof. If lighting is unmetered, the provisions of Paragraph 27(e) shall apply.
