24. BILLING

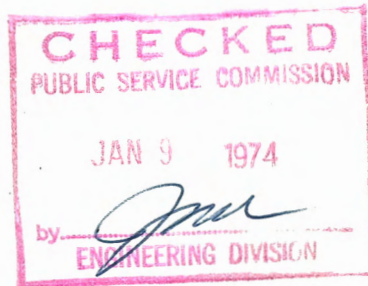

Notices of amounts due and payable are sent out the first of the month, for service rendered for a thirty-day period ending the twenty-second of the preceding month. Current bills are considered delinquent if not paid by the fifteenth of the month. The Cooperative may at any time thereafter, on a five-day notice to the member, discontinue service. Should it become necessary for a representative of the Cooperative to call at the consumer's premises or other locations for the purpose of collecting a delinquent account, a charge of \$5.00 will be made to the member's account for the extra service rendered, due and payable at such time delinquent account is collected. If service is discontinued for non-payment, an additional charge of \$5.00 will be made for reconnecting service, due and payable at time of such reconnection.

When a check received in payment of a consumer account is returned unpaid by a bank for any reason, such account, together with all others owed by the consumer shall be due and payable upon demand, and such consumer subject to discontinuance of service without further notice.

25. METER READING

All meters with demand devices are read by a representative of the Cooperative,

(b) If the service is discontinued for a period of sixty (60) days, or should the mobile home be removed and another not take its place within sixty (60) days, or be replaced by a permanent structure, the remainder of the advance shall be forfeited. (N)

(c) No refunds shall be made to any customer who did not make the advance originally. (N)

Mobile home owners have the option of being supplied a standard 50 amp. plug-in type service for \$40.00 or a 100 amp. plug-in type service for \$60.00, including material and labor. This is being done in order to facilitate mobile home owners in a quick hook-up, but this will not be done until the \$40 or \$60 is paid. Inspection is required on all wiring done by applicant or his electrician. A regular hook-up can be used in lieu of the quick hook-up.

(e) Signs - in cases of sign lighting, if it is an established firm no deposit of any nature will be required except membership fee.

Only one membership shall be required for each service. The membership fee or consumer prepayment shall be refunded if all financial obligations are paid, or shall be applied against any unpaid bills of the member at the time service is discontinued. This will automatically terminate the membership.

10. RIGHT OF ACCESS

The cooperative's identified employee shall have access to member's premises at all reasonable times for the purpose of reading meter, testing, repairing, removing, or exchanging any and all equipment belonging to the cooperative.

11. NOTICE OF TROUBLE

13. RECONNECTION CHARGES

The Cooperative will make no charge for connecting service to the member's premises for the initial installation of service, or to the member's premises if the service to be connected is replacing service which has been destroyed by fire. When service has been terminated, or service is transferred to a new member, the Cooperative's representative shall read the meter at such premises and secure the necessary application for service from the new occupant. A service charge of \$5.00 (five dollars) will be made to new occupant for the reconnecting or transferring of such service. Service charge will be due and payable at time of connection or transfer, or upon notice of said charge. No meters shall be installed or reinstalled after working hours unless in the judgment of the Manager there exists circumstances that will justify the additional expense. In these cases a service charge of \$10.00 (ten dollars) will apply.

14. RESALE OF POWER BY MEMBERS

All purchased electric service used on the premises of the member shall be supplied exclusively by the Cooperative and the member shall not directly or indirectly sell, sublet, or otherwise dispose of the electric service of any part thereof.

15. SERVICE CHARGE

All service calls made by the Cooperative pertaining to the consumer's premises shall be charged at the rate of \$5.00 (five dollars) per call during normal working hours.

16. SERVICE CHARGE FOR TEMPORARY SERVICE

Consumers requiring temporary service may be required to pay all costs of connecting and disconnecting incidental to the supplying and removing of service. Consumers will be billed for electric service as any other consumer during the connected period.

Effective July 1, 1974, the Cooperative will furnish a temporary service board for temporary services. There will be a \$20.00 service charge for this service, for a period of 6 months, with a \$5.00 per month charge for each additional month, up to a maximum of 12 months. This service charge of \$20 must be paid before the temporary service is installed. (I)

17. METER TESTS

All new meters shall be checked for accuracy before installation. The Cooperative will, at its own expense, make periodic tests and inspections of its meters in order to maintain a high standard of accuracy and to conform with the regulations of the Public Service Commission. The Cooperative will make additional tests of meters at the request of the member. When the test made at the member's request shows that the meter is accurate, within 2% slow or (T) fast, no adjustment will be made to the member's bill. When the test shows the meter to be in excess of 2% fast an adjustment shall be made to the member's bill by recalculating the monthly bills. Refunds will be made in accordance with Public Service Commission's Rules and Regulations (807 KAR 2:010 Section 9 (5)).
