FUEL COST ADJUSTMENT CHARGE

In case for any month the rate under which Seller (Henderson-Union Rural Electric Cooperative Corporation) purchases power at wholesale from its supplier (Big Rivers Electric Corporation) is adjusted in accordance with any present or future fuel cost or surcharge provided for in Seller's wholesale power contract or by order of the Public Service Commission, then the foregoing monthly energy charges shall be adjusted for each kilowatt hour sold by dividing the total dollar amount of such fuel and surcharge cost adjustment to Seller attributable to each class of service by the total number of kilowatt hours sold by Seller for such class of service for the billing month.

Such reduction as Henderson-Union shall receive in its wholesale power costs from July 1, 1981, through December 31, 1981, because of amounts or margins earned by Big Rivers Electric Corporation on intersystem sales and wheeling charges shall be credited monthly in accordance with the kilowatt hours used by the consumer.

(D)

(The above Fuel Cost Adjustment Clause is subject to the provisions of and may be amended from time to time to conform to 807 KAR 5:056E and to any adjustment in the fuel clause or other increments which may be made in Big Rivers Electric Corporation's fuel charges under 807 KAR 5:056E by the Public Service Commission.)

*The monthly kilowatt hour usage shall be subject to plus or minus an adjustment per KWH determined in accordance with the "Fuel Adjustment Clause"
