RATE
PER UNIT

The attached rates are applicable to all consumers and applications of this Cooperative in Fulton, Hickman and the western part of Carlisle Counties.

All new services run are under contracts. The cost of construction (including labor and material) is pre-rated to the number of consumers served on each extension over a period of five years, payable each month.

Four copies of our notices with service charges included are attached. The date of each notice depends upon the billing date.

RULES AND REGULATIONS

1. Application for service:

Each prospective member desiring electric service will be required to sign the Cooperative's form of application for membership before service is supplied by the Cooperative.

2. Membership fee:

The applicant will pay to the Cooperative the sum of \$5.00 which, if this application is accepted by the Cooperative, will constitute the applicant's membership fee. If the Cooperative is unable to furnish service to the applicant, the sum of \$5.00 will be returned to the applicant.

3. Deposits:

A deposit or suitable guarantee approximately equal to twice the average monthly bill may be required of any member, with a minimum of \$15.00, before service is supplied if the Cooperative deems it necessary to insure payment for the service it will render. Upon termination of service, deposit may be applied against unpaid bills of the member and if any balance remains after such application is made said balance to be refunded to the member.

4. Monthly bills for service:

The applicant will, when electric energy becomes available and the meter installed, purchase from the Cooperative all electric energy on his premises and will pay therefor monthly at rates which will be fixed by the Board of Directors of the Cooperative of at least \$1.50 per month.

5. Consumer's wiring:

The applicant will cause his premises to be wired in accordance with wiring specifications approved by the Cooperative.

6. Inspection:

The Cooperative shall have the right, but shall not be obligated, to inspect any installations before electricity is introduced or at any later time and reserves the right to reject any wiring or appliances not in accordance with the Cooperative's standards; but such inspection or failure to inspect or reject shall not render the Cooperative liable or responsible for any loss or damage resulting from defects in the installation, wiring, or appliances, or from violation of Cooperative's rules, or from accidents which may occur upon members' premises.

8. Consumer's Responsibility:

The applicant will comply with and be bound by the provisions of the charter and by-laws of the Cooperative, of which he will be a member, and such rules and regulations as may, from time to time, be adopted by the Cooperative. All meters, service connections and other equipment furnished by the Cooperative shall be, and remain, the property of the Cooperative. The member shall exercise proper care to protect the property of the Cooperative on its premises; and in the event of loss or damage to Cooperative's property arising from neglect of member to care for same, the cost of the necessary repairs or replacements shall be paid by member.

9. Billing:

Bills will be rendered and mailed monthly. All bills shall be paid each month on or before the payment date shown on the bill at the office of the Cooperative or its regular authorized collection agencies. Failure to receive the bill will not release the member from payment obligation. Should bills not be paid as above the Cooperative may at any time thereafter, on ten (10) days notice to the member, discontinue service. Bills paid on or before the payment date shall be payable at the net rates but if paid after the payment date, a penalty of 10% will be added to the bill. Should the payment date fall on Sunday or a holiday the next business day following will be the final day for the next bill. All remittances received by the Cooperative after the payment date will be accepted in net amounts if the incoming envelope bears United States Post Office date stamp of the payment date or a date prior thereto.

7. Right of Access:

The Cooperative's identified employees shall have access to members premises at all reasonable times for the purpose of reading meters, testing, repairing, removing or exchanging any or all equipment belonging to the Cooperative.
