Budget Billing

Customers have an opportunity to sign agreements with the company for spreading billing evenly over a twelve month period. The billing is based on estimated consumption made by a company representative. In May, the end of the twelve month period, the difference between payments and actual usage is adjusted by adding or crediting the difference of the regular gas service bill. A copy of the agreement is made a part of the company's Rules and Regulations.

BUDGET BILLING AGREEMENT

THIS AGREEMENT, made in duplicate between Lyda Gas Company, Inc. a Kentucky Corporation with its principal office at Elkhorn City, Kentucky (hereinafter called the "Company") and _____ (hereinafter called the "Consumer") located at _____

WITNESSETH:

That in consideration of Consumer's request to make gas service payments under the Company's Budget Payment Plan, the Consumer shall pay the Company at a fixed amount each month in lieu of monthly billings based on actual usage; whereby, any difference in the actual amount due and the fixed amount paid each month shall be payable in full each year upon receipt of the June billing.

It is further agreed:

1. The Consumer agrees that if at any time the Rate under which the Company purchases gas service at wholesale is modified, the Company may make a corresponding modification in the rate for service hereunder and the budget payment amount shall be adjusted accordingly.

2. The Consumer agrees that if at any time the Rates and/or Terms and Conditions as set forth in the Company's Rate are adjusted or changed and said adjustments and/or changes are approved by the Kentucky Energy Regulatory Commission said adjustments and/or will become effective and supersede, cancel and replace rates and/or terms and conditions provided in existing rate prior to the effective date as set forth in the Energy Regulatory Commission's Order approving the Adjustments and/or changes.

3. The Consumer agrees that monthly budget payments are subject to change where a trend develops indicating the amount set up is insufficient to result in a reasonable balance due in the June Billing Period; at which time, the difference in the fixed amount and actual cost of gas service is payable in full.

4. It is agreed that the Consumer shall make payment each month in the full amount of the Budget Payment as stated herein, irregardless of any accumulated charges credits for actual use. The accumulated charges or credits shall be adjusted on the June Billing. Should the Consumer fail to make such budget payments by due date, service will be discontinued and entire balance becomes due and payable before service is restored. The Consumer shall be ineligible for future billing under the Budget Payment Plan.

5. This agreement shall continue from year to year, unless terminated by either party giving to the other notice in writing, subject to the provision stated in #4 above.
