Deposit Requirements

The required deposit will be 2/12 of the annual bill. (Total of the previous 12 months bills divided by 12 x 2.) If no prior service has been available at a particular residence, an estimated deposit will be required based on the connected load.

The deposit must be paid in full prior to turning on gas service.

A receipt of deposit showing the name of the customer, location of the premises occupied, date and amount of deposit will be given at time of deposit payment.

Interest in the amount of 6% per annum is paid on all deposits from the date of deposit.

Budget Billing

Customers have an opportunity to sign agreements with the company for spreading billing evenly over a twelve month period. The billing is based on estimated consumption made by a company representative. In May, the end of the twelve month period, the difference between payments and actual usage is adjusted by adding or crediting the difference of the regular gas servcie bill. A copy of the agreement is made a part of the Company's Rules and Regulations.

Collection and Termination Schedules

All gas bills are due and payable by the due date as set forth on each bill. (Due date is 10 days after mailing.)

A customer shall be given 10 days written termination notice before discontinuance of service for non-payment, but the cut off will not be effected before 30 days after the mailing date of the original bill. A reconnection charge of fifteen dollars (\$15) shall apply for reconnection of a service discontinued for non-payemnt or violation of rules and regulations. A collection charge of ten dollars (\$10) shall be charged if necessary to send service personnel to collect an account after termination notice has been served and expired per existing Public Service Commission Rules.

If a customer questions that this bill is not accurate, the company shall have an employee available during regular working hours to answer questions regarding the bill and to resolve disputes.

If a customer is unable to pay the full bill, the company shall have an employee available during regular working hours who has the authority to negotiate payment plans of outstanding bills and to accept payments.

a customer believes that discontinuance of service will aggravate an existing illness or infirmity of someone residing at the affected premises, then they can obtain up to 30 days to make other living arrangements by obtaining a written certification from a physician, registere nurse, or a public health officer stating that in the opinion of the person making the certification, discontinuance of service will aggravate an existing illness or infirmity on the affected premises. If such a certificate is filed with our office, then we will not disconnect until we have informed them of the existence of various local, state and federal programs that might be able to assist them in paying their bills, whichever occurs first.

If they are unable to pay their bill and currently receive AFDC, madicaid, food stamps, or have gross income at or below 130% of the federal poverty guidelines, they should contact the nearest office of the Department for Human Resources Bureau of Social Insurance. If they are unable to provide direct assistance, the customer can obtain a 30-day extension to work out a payment plan by obtaining a written certification from that office and bringing it to our office. If the customer obtains such a certification and makes a good faith offer to make a present payment and agrees to pay all of their past due bill by October 15, we will accept the payment plan.

PURCHASE GAS COST ADJUSTMENT CLAUSE

Determination of GCR

The Company shall file a quarterly report with the Commission which shall contain an updated Gas Cost Recovery Rate (GCR) and shall be filed at least thirty (30) days prior to the beginning of each calendar quarter. The GCR shall become effective for billing for service rendered on or after the first day of each calendar quarter.

The Gas Cost Recovery Rate is comprised of:

- The expected gas cost component (EGC) on a dollar-per-MCF basis which represents the average expected cost of purchased gas.
- 2. The Actual Cost Adjustment (ACA), on a dollar-per-Mcf basis, compensates for over- or under-collections of gas cost resulting from differences between expected gas cost and the actural cost of gas. For purposes of determining the GCR, the ACA for the application period shall equal the sum of the ACA for the reporting period and for the three (3) preceding calendar quarters. This may also be used to compensate for any over or under recoveries remaining from previous actual and/or refund adjustments after a 12 month period.
- 3. The supplier refund adjustment (RA) on a dollar-per-Mcf basis, which reflects the refunds received from suppliers during the reporting period plus interest at a rate equal to one-half(\frac{1}{2}) of one percent (1%) below the average 90-day commercial paper rate for the twelve-month period. In the event of any large or unusual refunds, the Company may apply to the Public Service Commission for the right to depart from the refund procedure herein set forth.

Billing

The gas cost recovery rate to be applied to bills of customers shall equal the sum of the following components:

GCR = EGC + RA + ACA

The GCR will be added to or subtracted from the tariff rates prescribed by the Commission Order on the Company's latest general rate case and will be included in the tariff rates stated on each applicable rate sheet within this tariff.

Definitions

For purposes of this tariff:

1/4/2000

"Average Expected Cost" is the cost of purchased gas which results from the application of supplier rates currently in effect, or reasonably expected to be in effect during the calendar quarter, on purchased volumes for the most recently available twelve-month period, divided by the corresponding sales volume. In the event that line loss exceeds 5 percent, purchased volumes for the twelve-month period shall be calculated as: sales volumes + .95. Where the calculations require the use of volumes used during a given period, and those volumes did not exist for a particular source for the entire period, or the Company expects the volumes to change substantially, the Company may make appropriate adjustments to its calculations. Any adjustments of this type shall be described in the quarterly Gas Cost Recovery Reports SERVICE COMMISSION OF KENT UCKY

MONITORING OF CUSTOMER USAGE

At least once annually the Company will monitor the usage of each customer according to the following procedure:

- 1. The customer's annual usage for the most recent 12-month period will be compared with the annual usage for the 12 months immediately preceding that period.
- 2. If the annual usage for the two periods are substantially the same or if any difference is known to be attributed to unique circumstances, such as unusual weather conditions, common to all customers, no further review will be done.
- If the annual usages differ by 10 percent or more and cannot be attributed to a readily identified common cause, the Company will compare the customer's monthly usage records for the 12-month period with the monthly usage for the same months of the preceding year.
- If the cause for the usage deviation cannot be determined from analysis of the customer's meter reading and billing records, the Company will contact the customer by telephone or in writing to determine whether there have been changes such as different number of household members or work staff, additional or different appliances, changes in business volume, or known leaks in the customer's service line.
- Where the deviation is not otherwise explained, the Company will test the customer's meter to determine whether it shows an average error greater than 2 percent fast or slow.
- The Company will notify the customers of the investigation, its 6. findings, and any refunds or backbilling in accordance with 807 KAR 5:006, Section 10(4) and (5).

In addition to the annual monitoring, the Company Circle COMMISSION ts investigate usage deviations brought to its attention as of KENTUCKY on-going meter reading or billing processes or customer inquipment

DEPOSITS

The Company may require a minimum cash deposit or other guaranty to secure payment of bills except for customers qualifying for service reconnection pursuant to 807 KAR 5:006, Section 15, Winter Hardship Reconnection. Service may be refused or discontinued for failure to pay the requested deposit. Interest, as prescribed by KRS 278.460, will be paid annually—either by refund or credit to the customer's bill, except that no refund or credit will be made if the customer's bill is delinquent on the anniversary date of the deposit.

The deposit may be waived upon a customer's showing of satisfactory credit or payment history, and required deposits will be returned after one (1) year if the customer has established a satisfactory payment record for that period. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The Company may require a deposit in addition to the initial deposit if the customer's classification of service changes or if there is a substantial change in usage. Upon termination of service, the deposit, any principal amounts, and any interest earned and owing will be credited to the final bill with any remainder refunded to the customer.

In determining whether a deposit will be required or waived, the following criteria will be considered:

- 1. Previous payment history with the Company. If the customer has no previous history with the Company, statements from other utilities, banks, etc. may be presented by the customer as evidence of good credit.
 - 2. Whether the customer has an established income or line of credit.
- Length of time the customer has resided or been located in the area.
 - 4. Whether the customer owns property in the area.
- 5. Whether the customer has filed bankruptcy proceedings within the last seven years.
- 6. Whether another customer with a good payment history is willing to sign as a guarantor for an amount equal to the required deposit.
- If a deposit is held longer than 18 months, the deposit will be recalculated at the customer's request based on the customer's actual usage. If the deposit on account differs from the recalculated amount by more than \$10.00 for a residential customer or PUDICESTATE COMMISSION a non-residential customer, the Company may collect any underpayment and shall refund any overpayment by check or credit to the customer at the time of the recalculation.

BUDGET PAYMENT PLAN AGREEMENT

THIS AGREEMENT, made in duplicate between Mt. Olivet Natural Gas Co., Inc., a Kentucky Corporation with its principal office at Mt. Olivet , Kentucky (hereiner called the "Company") and (hereiner called the "Consumer") located at
WITNESSETH:
That in consideration of Consumer's request to make gas service payments under the Company's Budget Payment Plan, the Consumer shall pay the Company at a fixed amount each month in lieu of monthly billings based on actual usage; whereby, any difference in the actual amount due and the fixed amount paid each month shall be payable in full each year upon receipt of the June billing.
It is further agreed:
1. The Consumer agrees that if at any time the Rate under which the Company purchases gas service at wholesale is modified, the Company may make a corresponding modification in the rate for service hereunder and the budget payment amount shall be adjusted accordingly.
2. The Consumer agrees that if at any time the Rates and/or Terms and Conditions as set forth in the Company's Rate are adjusted or changed and said adjustments and/or changes are approved by the Kentucky Energy Regulatory Commission said adjustments and/or will become effective and supercede, cancel and replace rates and/or terms and conditions provided in existing rate prior to the effective date as set forth in the Energy Regulatory Commission's Order approving the adjustments and/or changes.
3. The Consumer agrees that monthly budget payments are subject to change where a send develops indicating the amount set up is insufficient to result in a reasonable ance due in the June Billing Period; at which time, the difference in the fixed amount and actual cost of gas service is payable in full.
4. It is agreed that the Consumer shall make payment each month in the full amount of the Budget Payment as stated herein, irregardless of any accumulated charges credits for actual use. The accumulated charges or credits shall be adjusted on the June billing. Should the Consumer fail to make such budget payments by due date, service will be discontinued and entire balance becomes due and payable before service is restored. The Consumer shll be ineligible for future billings under the Budget Payment Plan.
5. This agreement shall continue from year to year, unless terminated by either party giving to the other notice in writing, subject to the provision stated in #4 above.
THEREUPON, it is agreed that (Consumer) shall pay to Mt. Olivet Natural Gas Co., Inc. each month, beginning with billing, for gas service in the amount of \$
under this Budget Billing Agreement, and shall pay in full annually the balance resulting from difference in actual usage and fixed amount paid each month of the commission billing. If a credit balance (overpayment) exceeds \$10.00 it shall be applied on the succeeding month's bill.
