PURCHASED GAS ADJUSTMENT CLAUSE

The rates authorized herein are based upon the wholesale cost of gas to the Gas Division, Pendleton Co. Water District as computed upon rates of its wholesale suppliers then currently in effect under Federal Power Commission Tariffs for interstate business or under wholesale Tariffs of the Public Service Commission. For the purpose of this Purchased Gas Adjustment Clause, these rates shall be considered as the base rate for purchased gas. In the event there is an increase in this base rate, the Gas Division, Pendleton County Water District, shall within thirty days from the time it receives notice of the proposed change file with the Public Service Commission the following information:

(1) A copy of the Federal Power Commission tariff or wholesale tariff of this Commission effecting the change in the base rates and a statement relative to the effective date of such proposed change.

(2) A statement setting out the details of gas purchased under the provisions of the base rate for the previous twelve months showing billing under the base rate and under the proposed revised rate applicable to this service.

(3) A balance sheet as of the end of the latest twelve month period and a statement of operating expenses and revenues in the same detail as reported to this Commission in the Utility's Annual Report.

(4) A forecast showing the estimated gas purchased from all of the utilities contract suppliers for the next twelve months period together with an estimate of the cost thereof.

(5) Such other information as this Commission may request for a proper determination of the purchased gas adjustment.

**CLASSIFICATION OF SERVICE**

**RATE  
PER UNIT**

Upon receipt of this information this Commission will review the effect of the revised base rate on the operations of the Applicant and will prior to the effective date of the revised rate, but not less than thirty days from the date of the filing of the above prescribed information issue its Order setting out the purchased gas adjustment that the utility shall apply to its rates.

In the event there is a decrease in purchased gas costs or refund, the Applicant shall file the information required in 1, 2, and 4 and 5 above.

Upon receipt of this information the Commission shall review the proposed reductions and within thirty days from receipt of the refund and/or revised rates.

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments based upon the actual preceding twelve months period, greater than the difference between the purchased gas billed at the then existing rates and the purchased gas billed at the revised rate.

The base rate for purchased gas for the application of this Purchased Gas Adjustment Clause is:
