Gentlemen:

The gas service contract with your company contains a provision that during the seven (7) month summer period, April 1, through October 31, the rate is 40¢ per Mcf plus escalation for the first 50,000 Mcf.

When the return copy of this letter is received by us, it will be considered as a modification of the contract dated April 8, 1960, insofar as applicable for the period April 1, 1963, through October 31, 1963.

Very truly yours,
