It has not been filed as of yet. I think they wanted the PUC withdraw first. Please let me know if there is anything else you need from me.

Have you not already filed a withdrawal notice with the Kentucky Secretary of State? If not, I'll just use your earlier email. Usually I attach the withdrawal notice that had been filed with the KSOS.

Jeff,

Forgive my ignorance – where would I find the Certificate of Withdraw template?

Good morning,

It appears they filed an Annual Report with the Kentucky Secretary of State in February but do not yet see a Certificate of Withdrawal. Can you please forward that Certificate to me when available so that we can close out their record here?

Jeff,

Hope all is well and you are safe.

I am following the same process I have in the past so if I need to mail a letter – please advise.

ESCO Technologies, LLC was sold and had no customers as of December 31, 2019. We need to voluntarily withdraw their registration with the Kentucky PUC. Their ID was 5057560.

Please advise if any further action is required.

Thanks in advance for your assistance.

Thanks,
