### GTC ONE MONTH FREE PROMOTION

Beginning November 27, 2002, New GTC customers may be eligible to receive one month of free long distance usage. In order to be eligible for this market test promotion, the customer must be a new GTC customer that subscribes to the promotion by responding to an e-mail from GTC or a GTC affiliate, signing up for the promotion on GTC's or a GTC affiliate's website, or by enrolling during a marketing contact with GTC or a GTC affiliate. In addition, the new customer must subscribe to GTC 5¢ Residential Plan or GTC 5¢ Business Plan. The customer will receive a credit equal to the actual international, state-to-state and in-state long distance usage (excluding surcharges, monthly recurring charges, and taxes). The amount of the first month's usage will be applied as a credit to the customer's second invoice. Calls made in excess of the first month's usage will be billed. Unused credit may be carried over to subsequent months. If a customer does not pay the initial invoice in full, no promotional benefit will be given to the customer on their second invoice. Furthermore, if a customer cancels GTC service before the benefit period of this promotion expires, no promotional benefit will be given to the customer on their final invoice. This promotion is not available with any other promotions. This promotion is available for enrollment through May 31, 2003, unless sooner changed or canceled by GTC.

### GTC UP TO 300 FREE MINUTES FOR ONE MONTH PROMOTION

Beginning November 27, 2002, GTC may offer new and existing GTC customers up to 300 free minutes of Dial-1 state-to-state and in-state long distance usage for one month. In order to be eligible for this market test promotion, the customer must sign up for the promotion on a GTC or GTC affiliate website, or be contacted by GTC or a GTC affiliate during a marketing contact. The free minutes will be applied in the form of a credit on the customer's next invoice. Unused credit may not be carried over to another month. If a customer cancels GTC service before all promotional minutes have been used, no credit for the promotional minutes will be given on their last invoice. This promotion is not available with any other promotions. This promotion is available for enrollment through May 31, 2003, unless sooner changed or canceled by GTC.

### GTC UP TO \$15 CREDIT PROMOTION

Beginning November 27, 2002, GTC may offer new and existing GTC eligible customers up to a \$15 credit. In order to be eligible for this market test promotion the customer must sign up for the promotion on a GTC or GTC affiliate website, or be contacted by GTC or a GTC affiliate during a marketing contact. An eligible customer will receive up to a \$15 credit on their initial invoice after subscribing to this promotion. Unused credit can be used on subsequent invoices. If a customer cancels GTC service before all promotional credits have been used, all promotional credits will expire and will not be paid on their final invoice. This promotion is not available with any other promotions. This promotion is available for enrollment through May 31, 2003, unless sooner changed or canceled by GTC.
