Approval for Transfer of Customers

Matrix Telecom, LLC d/b/a Matrix Business Technologies d/b/a Trinsic Communications d/b/a VarTec Telecom d/b/a Excel Telecommunications d/b/a Startec d/b/a Americatel d/b/a Lingo ("Matrix") and Lingo Telecom of the South, LLC ("Lingo South"), collectively the "Parties", hereby seek approval, to the extent necessary, from the Kentucky Public Service Commission ("Commission") of an internal reorganization that will result in (1) a planned transfer of customers from Lingo South to Matrix and (2) the cancellation of the Kentucky telecommunications authority of Lingo South and any tariffs on file with the Commission concurrently with approval of this request. Following the completion of the customer transfer, Lingo South will no longer operate within Kentucky.

I. The Parties

Lingo South is a Delaware limited liability company formed on February 8, 2000. Its principal office is located at 400 E. Las Colinas Blvd., Suite 500 Irving, TX 75039. The company was originally authorized to provide facilities-based and resold competitive local exchange, interexchange services and cellular service in Kentucky. Lingo South currently offers local and interexchange services within the State of Kentucky. Lingo South is a direct subsidiary of Lingo Management, LLC and a wholly owned indirect subsidiary of Lingo Communications, LLC ("Lingo").

Matrix is a Texas limited liability company originally incorporated on June 13, 1990 as Matrix Telecom, Inc. and converted to a limited liability company on December 28, 2015. Its principal office is located at 400 E. Las Colinas Blvd., Suite 500 Irving, TX 75039. The company was originally authorized to provide interexchange services in Kentucky pursuant to Certificate No. 90-270 issued March 13, 1991. The Company also received Commission approval to provide resold and facilities-based competitive local exchange services on May 10, 2005 in Docket No. TFS2005-00386. Matrix currently offers presubscribed interexchange and local services in Kentucky. Matrix is a direct subsidiary of Impact Telecom, LLC and a wholly owned indirect subsidiary of Lingo Management, LLC and Lingo.

II. The Transaction

As part of an internal corporate reorganization, the Kentucky customers of Lingo South are, pending regulatory approval, tentatively set to transfer to Matrix effective August 1, 2020. This reorganization is entirely pro forma as the same entities hold the controlling interest in both Matrix and Lingo South. Exhibit A contains an overview of the corporate structure of Lingo and its subsidiaries prior to and upon completion of the merger and transfer of customers.

Following the transfer, Lingo South customers will be served by Matrix and Lingo South will no longer operate within Kentucky. The transition to Matrix will be invisible to the customers of Lingo South as both companies operate under the “Lingo” name. Lingo South customers will not incur any charges or changes in the services that they currently receive and will continue to receive service under the Lingo name. Upon completion of the transfer, Matrix will revise tariffs as necessary to incorporate the applicable transferred services.

III. Request for Waiver

The Parties request a waiver of any applicable state or federal slamming regulations regarding the transfer of customer bases. Following the transfer Lingo South customers will continue to receive service under the same terms, conditions and rates. Additionally, service is currently provided and billed by “Lingo” and will be provided and billed by “Lingo” following the transfer. The reorganization will be invisible to Lingo South customers. Sending notice to customers stating that their service, while not changing, is moving from “Lingo” to “Lingo” could prove confusing to the customer. The FCC has stated that “...a change in corporate structure that is invisible to the affected subscribers does not constitute a sale or transfer for purposes of section 258 ... Indeed, in such cases, requiring notice of a change that is imperceptible to the affected subscribers might cause confusion where there would otherwise be none.”¹

The terms of specific Individual Case Basis contracts will be made available to the Commission upon request on a proprietary basis.

4.9 Special Charges

4.9.1 Out-of-Normal Work Hours: The charges specified in this Section 4.9 do not contemplate work being performed by Company employees at a time when overtime wages apply, due to the request of the Customer, nor do they contemplate work once begun being interrupted by the Customer. F. Lingo Price Protection Plan

1. Lingo offers optional discounts for Customers that agree to a term commitment of 12 or 24 months. Customer is eligible for Price Protection Plan (“PPP”) term pricing only where Customer has a minimum of three Lingo Basic Business Lines, as defined in Lingo’s KY P.S.C. Tariff No. 1, within an account. The 24-month commitment also qualifies Customers for a Local Exchange Service discount as provided in Lingo’s KY P.S.C. Tariff No. 1.
2. Customers subscribing to the PPP must commit to a written term service agreement in a form designated by Lingo, which shall include, without limitation, Customer’s term selection.
3. The term will commence on the billing date for the first new line or the first billing date after Customer executes a term service agreement if the service is currently being provided to Customer.
4. All rules, regulations, fees, charges, taxes and surcharges normally applicable to Lingo Basic Business Line services shall apply. Any charges in any proposal or quotation are exclusive of taxes and surcharges. Term pricing may not be combined with any other offer.
5. If monthly term rates as specified in this Section decrease during the term period, Customer may elect to obtain the new rates by executing a new term service agreement with the new rates, with a new term commencement date, and an agreement to the same or greater commitment term period.
6. For Customers who establish a term service agreement, monthly Lingo Basic Business Line rates will not change as a result of a Lingo-initiated increase; however, if a Local Exchange Rate Group Reclassification occurs, as set forth in this Tariff, an adjustment for the remaining term of the term service agreement will be made.

6.1.18 TeraFon Service

TeraFon is a fully-integrated business service designed to meet the communication needs of businesses with outbound and/or inbound service requirements. TeraFon provides both switched and dedicated access capabilities. All services switched and dedicated, inbound and outbound, are billed in six (6) second increments with a six (6) second minimum billing period.

TeraFon encompasses several pricing options with varying Minimum Monthly Revenue Commitments ("MMRC") that reflect common spending patterns of the business customer. International, interstate, intrastate and calling card calls contribute to the calculation of gross monthly usage associated with the corresponding MMRC. Directory assistance and operator service charges do not apply to the calculation of gross monthly usage.

The MMRC is applied to a single access type (switched or dedicated). The MMRC may be applicable to a single service type (outbound, inbound or travel) or to a combination of the three service types (outbound, inbound and travel). An account with inbound, outbound and travel service, utilizing the same access type, will only have one MMRC.

Each TeraFon account will benefit from a 90-day ramp-up period in which to accrue sufficient usage to meet the corresponding MMRCs. Once the ramp-up period has expired, customers billing less than the product MMRC will automatically be assessed a fee equivalent to the difference between actual gross usage and the pre-determined MMRC amount. Several TeraFon service options contain term plan agreements. Customers terminating service prior to the expiration date of their term plan agreement will be assessed the MMRC for the months remaining in the term plan agreement. The termination liability will be billed in one lump sum and payment is required within thirty (30) days of cancellation.

* Voice Solutions 1 Service has been grandfathered and is no longer available to new Subscribers.
