RE: Adoption Notice No. 1
KPSC Tariff No. 2 – IXC/OSP tariff filing
KPSC Tariff No. 3 – Local services tariff filing

Dear Sir or Madam:

13700

Please find enclosed the above filings and documents. Community Telephone Corporation, f/k/a Wright Businesses, Inc., a Kentucky corporation, submits the above filings for the facilitation of telecommunication services in the state of Kentucky.

The Adoption Notice No. 1 is filed in recognition of the recent name change in September of 1998 of Wright Businesses, Inc. to that of Community Telephone Corporation. Community Telephone adopts, ratifies, and makes its own all tariffs and other certifications by the Commission for Wright Businesses Inc.

In addition to the above Adoption Notice, Community Telephone submits a revised tariff covering all IXC and OSP services tariffed in Wright Businesses tariff on file with the Kentucky Commission in Kentucky Tariff P.S.C. No. 1, (effective June 10, 1991, and labeled as Long Distance Management). The new tariff, K.P.S.C. Tariff No. 2 cancels and replaces in its entirety the existing Wright Businesses tariff. This new tariff modifies and standardizes the tariffed services in Kentucky offered by Community Telephone. The new tariff covers the following services offered by Community Telephone in Kentucky: Standard Business, Standard Residential, Dedicated service, Switched 800 (business and residential), Dedicated 800, Travel Card, Debit Card, and Operator Services. All other modifications reflected in this new tariff are submitted to further define the operating and business relationship between Community Telephone and its customers. The following LDM tariffed services will not be offered in the new tariff: LDM Kentucky WATS, Supreme Service, and Executive Travel.

Please note that the current Wright Businesses tariff on file with the Commission is labeled as Long Distance Management, a division of Wright Businesses, Inc. Pursuant to the name change,

Community Telephone Corporation

8829 Bond St., Overland Park, KS 66214
(913) 492-1230 Fax (913) 492-1684

Long Distance Management will now be a division of Community Telephone Corporation and adhere to all service and standards tariffed by Community Telephone Corporation. However, the new tariff submitted today will reflect the Community Telephone Corporation name rather than the division name of Long Distance Management.

Finally, enclosed herein is a notice of intent to provide services as a facilities-based local telecommunications provider in Kentucky by Community Telephone. The referenced notice of intent, supporting documents, and the proposed local service tariff are submitted for the Commission's review and approval. All said local services will be offered in Kentucky under the name of Community Telephone and the services, rates, and regulations tariffed therein will apply to its subscribers within the State of Kentucky.

If we have failed to take the necessary steps or procedures to effectuate the above filings, please let me know so that I may address this situation as soon as possible. All questions or comments regarding this filing should be directed to my attention at the address above. Also, I would be happy to entertain by phone any issues or questions the Commission might have. Please send all tariff certifications, stamped copies or other paperwork to me at the same Kansas address.

I thank you for your time and attention to this matter. We look forward to hearing from you soon.

Sincerely,
Community Telephone Corporation

Scott Pulido
Corporate Counsel
