5. METERS

All meters shall be furnished by the Company and shall remain its property and be accessible to and subject to its control. The meter shall be conveniently located at a point approved by the Company.

6. TERMS OF PAYMENT

All minimum charges for metered service, or otherwise, shall be billed and mailed monthly commencing on March 1, 1988. Bills are due and payable in the net amount on or before fifteen (15) days from the billing date.

7. DISCONTINUANCE

(1) The Resort Water Company, hereinafter Resort, may refuse or discontinue to serve an applicant or customer under the following conditions:

(a) For noncompliance with its rules and regulations. However, Resort shall not discontinue or refuse service to any customer or applicant for violation of its rules or regulations without first having made a reasonable effort to induce the customer or applicant to comply with its rules and regulations as filed with the commission. After such effort on the part of Elk Lake service may be discontinued or refused only after the customer shall have been given at least forty-eight (48) hours written notice of such intention, mailed to his last known address.

(b) When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused, provided that Resort notify the customer or applicant immediately of the reasons for the discontinuance or refusal and the corrective action to be taken by the applicant or customer before service can be restored.

(c) When a customer or applicant refuses or neglects to provide reasonable access to the premises for the purpose of installation, operation, meter reading, maintenance or removal of utility property, Resort may discontinue or refuse service only after the customer or applicant shall have been given at least fifteen (15) days written notice of such intention.

RULES AND REGULATIONS

(d) Resort shall not be required to furnish service to any applicant when such applicant is indebted to the utility for service furnished until such applicant shall have paid such indebtedness.

(e) Resort may refuse or discontinue service to a customer or applicant if the customer or applicant does not comply with the state, municipal or other codes, rules and regulations applying to such service.

(2) Resort may discontinue service under the following conditions:

(a) For nonpayment of bills. However, Resort shall not discontinue service to any customer for nonpayment of bills (including delay charges) without first having made a reasonable effort to induce the customer to pay same. The customer shall be given at least forty eight (48) hours written notice, but the cut-off shall not be effected before twenty (20) days after the mailing date of the original bill. Such termination notice shall be exclusive of and separate from the original bill. If, prior to discontinuance of service, there is delivered to the utility office payment of the amount in arrears, then discontinuance of service shall not be made, or as the residential services where a written certificate is filed, signed by a physician, a registered nurse or a public health officer stating that, in the opinion of the person making the certificate, discontinuance of the service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten (10) days elapse from the time of Resorts' notification.

(b) For fraudulent or illegal use of service. When Resort has discovered evidence that by fraudulent or illegal means a customer has obtained service or has diverted the service for unauthorized use or has illegally obtained service without same being properly measured, the service to the customer may be discontinued without notice. Resort shall not be required to restore service until the customer has complied with all rules of the utility and regulations of the commission and Resort have been reimbursed for the estimated amount of the service rendered and the cost to the utility incurred by reason of the fraudulent use.

(3) It shall be the duty of Resort before making service connections to a new customer to ascertain the condition of the meter and service facilities for such customer in order that the prior fraudulent use of the facilities, if any, will not be
