RULES AND REGULATIONS

1. These rules and regulations are in addition to the rules of the Kentucky Public Service Commission.
- ~~2. Any resident or business of Hendron Water District is eligible for water service from the District, providing a water main is within 100 feet of his property line.~~
3. Water service will be terminated within 24 hours after receiving a written request from the customer requesting discontinuance. Request for discontinuance may also be made in person. Water service will be terminated by phone provided customer gives their Social Security Number. The Hendron Water District Office Hours are 8:00 AM to 4:30 PM, Monday through Friday.
4. The District may require any applicant for service to pay a cash deposit to assure payment of bills. This deposit will be based on average bills of similar customers in the District. This deposit shall not exceed ~~three-twelfths (3/12)~~ ^{2/12} of the estimated annual bill of such customer.

The District shall place the deposits in a special account where interest is allowed to compound. Interest gained on the deposits shall be refunded or credited to the customer's bill on an annual basis.

If the District retains a customer's deposit for more than eighteen (18) months, the District shall notify the customer in writing that, at the customer's request, the deposit will be re-calculated every eighteen (18) months based on the customer's actual usage. If the deposit on account with the District differs by more than ten dollars (\$10.00) for residential customers, or by more than ten percent (10%) for non-residential customers, from the deposit calculated from actual usage, then the District shall refund any over payment and may collect any under payment by a credit or an addition to the customer's bill.

The District requires a customer applying for service to sign a Contract For Water Service. A copy of this Contract is contained on the next page.

RULES AND REGULATIONS

- (I) 10. A fee of \$25.00 shall be charged for re-establishing discontinued service. (Discontinued service is when meter is physically removed.)
- (I) 11. No connections to the water pipes of the system shall be made except by or under the supervision of a duly authorized officer, agent or employee of the system.
- 12. If the water service of any customer is disconnected for non-payment of bills, the District shall require payment of a \$15.00 reconnection fee and payment of all delinquent water bills, including penalties, in full before reconnection is made. (Reconnection is when water is shut off but meter remains in place.)

13. Multiple Services.

A. Permanent Single Family Dwellings.

Under no circumstances shall more than one permanent single family residential dwelling be provided service through a single meter.

B. Commercial Trailer Park.

(1) Definition. A commercial trailer park shall be defined as two (2) or more units occupying a common parcel of land and producing revenue or two (2) or more units designated as a trailer park by the Kentucky Department of Health for reasons of health and public welfare.

(2) Minimum Bill. Rates set forth herein are based on the capacity of the trailer park whether filled or not. For purposes of determining the park capacity, the park owner shall submit a plat of development to the District. Payment for water purchased shall be 50% of the regular residential minimum times the number of trailer spaces available (includes 50% of residential minimum galonage times number of spaces available). Balance of usage billed at regular residential rate schedule.

RULES AND REGULATIONS

(3) Meter Size. The utility shall determine the size of meter necessary to provide adequate services and the meter installation shall be paid for by the customer at the prescribed rate in effect. The following schedule of meter sizes and maximum number of trailer spaces shall be adopted as the basis for selection by the Water District under normal conditions.

<u>Meter Size</u>	<u>Maximum Gallonage</u>	<u>Maximum Number of Trailer Spaces</u>
5/8" x 3/4"	20 gpm	6
3/4"	30 gpm	9
1"	50 gpm	18
1-1/2"	100 gpm	40
2"	160 gpm	80

(T)

Any additional charge for increasing the meter size at some future date shall be paid by the owner at the actual cost to the utility less any salvage value for the meter removed.

Anyone desiring service under the commercial trailer park regulation shall not serve a residential home or homes without paying a full minimum bill for such residential home.

C. Multi-Family Dwellings

(1) Definition. A multi-family dwelling shall be defined as a permanent structure housing two or more families and producing revenue. Included in this definition are duplex, tri-plex, and apartment buildings.

(2) Minimum Bill. Rates set forth herein are based on the unit capacity of the structure whether filled or not. Payment for water purchased shall be based upon the total consumption registered by the meter per month divided by the number of dwelling units available

who shall apply for and contract to use service for one year or more and provide a guarantee for such service.

B. Other Extensions.

- (1) When an extension of the Hendron Water District's main to serve an applicant or group of applicants amounts to more than fifty feet per applicant, the District may require the total cost of the excessive footage over fifty feet per customer to be deposited with the District by the applicant or the applicants, based on the average estimated cost per foot of the total extension. Cost of the total extension shall be established from accurate records of construction cost by the District, including materials, labor, supervision, engineering, testing, disinfection, water and such other cost incurred by the District. Records of cost shall be maintained by the District and made available to the applicant or applicants receiving service.
- (2) Each customer receiving service under such extension will be reimbursed under the following plan: Each year for a period of not less than ten years, which for the purpose of this rule shall be the refund period, the Hendron Water District shall refund to the customer or customers who paid for the excessive footage, the cost of fifty feet of the extension in place for each additional customer connected during the year whose service line is directly connected to the extension installed and not to extensions or laterals therefrom; but, in no case shall the total amount refunded exceed the amount paid the District. After the end of the refund period, (10 years) no refund will be made.

RULES AND REGULATIONS

C. Extension To A Real Estate Subdivision.

(1) Applicants Cost of Extension. An Applicant desiring an extension to a real estate subdivision will initially be required to deposit a minimum of \$500.00 with the District prior to the development of preliminary construction drawings and cost estimate by the District's authorized engineering representative. If after the development of this preliminary information, the applicant withdraws the application for the real estate subdivision extension, the excess deposit over and above the actual administrative costs incurred by the District on the extension up to the time of withdrawal will be refunded to the applicant. Should the applicant desire to continue with the extension, the District may require the total estimated cost of the extension to be deposited with the District by the applicant. The preliminary costs incurred by the District and the initial deposit paid by the applicant will be included in the total estimated costs and total required deposit, respectively. The cost of the total extension shall be established from accurate records of construction cost by the District, including materials, labor, supervision, engineering, testing, disinfection, water and such other costs incurred by the District. Records of cost shall be maintained by the District and made available to the applicant receiving service. If after the construction of the extension, the actual total cost of the extension is less than the total amount deposited by the applicant, the excess shall be refunded to the applicant. If the actual total cost of the extension is greater than the total amount deposited with the District by the applicant, an amount equal to the excess in cost shall be deposited with the District prior to the District's final acceptance of the extension.

RULES AND REGULATIONS

- (2) Applicants Reimbursed for Cost of Extension. Each year for a period of not less than 10 years, the Hendron Water District shall refund to the applicant who paid for the extension a sum equivalent to the cost of 50 feet of the extension installed for each additional customer connected during the year but in no case shall the total amount refunded exceed the amount paid to the District. After the end of the refund period from the completion of the extension (10Years), no refund will be required to be made.

D. Construction Procedure.

- (1) Extensions by Water District. Water line extensions extended to customers under Item (A) Normal Extensions (B) Other Extensions; or (C) Extension to a Real Estate Subdivision, shall be installed by the Water District's forces, or by a competent contractor employed by the Water District or by the person or persons desiring service and approved in writing by the Water District.
- (2) Construction Drawings. Plans and specifications for proposed extensions shall be prepared by the Hendron Water District's authorized engineering representative shall comply with the District's standards, shall meet the requirements of the Kentucky Department of Health, the Public Service Commission and other applicable federal, state and local regulating agencies.

RULES AND REGULATIONS

- (3) Real Estate Subdivision Plats. A reproducible plat of a real estate subdivision as recorded in the County Court Clerk's office shall be furnished by the developer for use by the District's Engineer in laying out the proposed water lines.
- (4) Utility Easements. Water mains shall generally be laid in a 15 foot permanent easement on private property. A 15 foot temporary construction easement adjacent to the 15 foot permanent easement shall also be required where practical, from each private property owner. The cost of obtaining easements shall be included in the cost of construction as set forth in Items 14B and 14C above.
- (5) Service Lines and Service Connection Charges. Meters, meter boxes and service lines from the main to the meter will be installed by the Water District as required to customers adjacent to said main extensions, and the Water District shall be reimbursed for this service by the property owner in the form of a Service Connection Charge current at the time the service is made notwithstanding the following:
 - a. The District may under certain circumstances alter Service Connection Charges to exceed the standard Service Connection Charges in effect for the purposes of reimbursement to applicants desiring extensions under Item 14B, Other Extensions, and Item 14C, Extensions to a Real Estate Subdivision, if said altered Service Connection Charges are approved by the State of Kentucky, Public Service Commission.
- (6) Potable Water - Maintenance of Lines. After the mains have been installed, tested and chlorinated to the satisfaction of the Health Department, the Hendron Water District shall then accept the responsibility for furnishing potable water to the extension and for maintenance of the lines including meters, meter boxes and service lines from the main to the meter.
