RULES AND REGULATIONS

- 1. These rules and regulations are in addition to the rules of the Kentucky Utility Regulatory Commission.
- 2. Any resident or business of Lone Oak Water District is eligible for water service from the District, provided a water main is within one hundred feet of the applicant's property line.
- 3. If the property line is not within one hundred feet of a water main, the applicant may, at his own expense, install the main extensions according to the District's Rules and Regulations and the requirements of the Utility Regulatory Commission. On approval of the Board of Commissioners, such extension may be made by the District in accordance with 807 KAR 25:050, Section 12.
- 4. Water service will be terminated within 24 hours after receipt of a written request from the customer requesting discontinuance.
- 5. All applicants for service shall sign a Consumer Application card. A cash deposit or other guaranty to secure payment of bills of an amount not to exceed two-twelfths (2/12) N of the estimated annual bill may be required from any customer or applicant. A certificate of deposit, showing the name of the customer, location of initial premises occupied, date, and amount of the deposit shall be issued to each customer from whom a deposit is received.
- 6. The customer shall be responsible for all plumbing installed on his property, beginning at the outlet side of the meter. Installation shall be in accordance with rules and regulations of the Kentucky Department for Natural Resources and Environmental Protection.
- 7. All services shall be metered.

- 8. No connections to the water pipes of the District shall be made except by or under the supervision of a duly authorized officer, agent, or employee of the District.
- 9. All distribution mains, service lines, and service connections shall be governed by the provisions of 807 KAR 25:050, Sections 9, 10, and 13. In addition:
 - (A) Main extensions shall be installed by the Water District's forces, or by a competent contractor employed either by the District or by the person or persons desiring service, said contractor to be acceptable to the District.
 - (B) Plans and specifications for proposed extensions shall be prepared by a professional engineer and shall be submitted to the District for approval. Said plans and specifications shall comply with the District's standards and shall meet the requirements of the Kentucky Department for Natural Resources and

RULES AND REGULATIONS

Environmental protection, the Utility Regulatory Commission, and other applicable federal, state, and local regulating agencies.

- (C) Water mains shall generally be laid in a fifteen foot permanent easement on private property. A fifteen foot temporary construction easement adjacent to the permanent easement shall also be required, where practical, from each private property owner.
- (D) Meters, meter boxes, and service lines from the main to the meter will be installed by the District, as required, to customers adjacent to said main extensions, and the District shall be reimbursed for this service by the property owner in the form of a meter-setting fee current at the time the service is rendered.
- (E) After the mains have been installed, tested, and disinfected to the satisfaction of the Kentucky Department for Natural Resources, the District shall then accept responsibility for furnishing potable water to the extension and for maintenance of the lines, including meters, meter boxes, and service lines from the main to the meter. Extensions not constructed by the District's forces shall be subject to a one-year guarantee period before the District will accept responsibility for maintenance.
- (F) Rates for furnishing water shall be the current rates in effective of the District as approved by the Utility Regulatory Commission.
- 10. Term of all services is on a monthly basis. Meters are read monthly, and mailed by the first of the month.
- 11. To maintain service, each bill shall be paid in full, including charges for water service, sewer service if applicable, and any applicable taxes. A ten per cent (10%) penalty is added to any bill not paid by the 19th of the month. If the bill remains unpaid at the end of the month, a notice is mailed stating that service will be discontinued if the bill is not paid by the 9th day of the next month after the original bill was mailed. Exceptions shall be made in cases of illness or infirmity, in accordance with 807 KAR 25:020, Section 11 (2) (a). A notice stating the date of intended discontinuance of service is mailed at least 48 hours in advance.
- 12 If the water service of any customer is discontinued for nonpayment of bills, the District shall require payment of \$10.00 reconnection fee and payment of all delinquent bills in full, including penalties, before reconnection is made.
- 13. A charge of \$3.00 may be made for each check returned for insufficient funds.
