14. Service Charge for Temporary Service

Consumers requiring temporary service (except those qualifying otherwise) may be required to pay all cost of connecting and disconnecting incidental to the supplying and removing of service. In addition to this, a deposit will be required to cover estimated consumption of water. Both fees will be paid in advance. Any balance remaining at the end of temporary service will be refunded. This rule applies to carnivals, fairs, house trailers and the like.

C. Water Bills

15. Billing

Members will receive statement for water service before the fifteenth day of each month for service rendered for a thirty-day period ending the fifteenth of the preceding month. All statements are due and payable upon receipt and shall be paid at the office of the Nelson Valley Water Association, Inc. within ten (10) days from date of bill. Failure to receive water statement will not release the member from payment obligation. Should the statement not be paid as above, the Nelson Valley Water Association, Inc. may at any time thereafter on a ten (10) days' notice to the member discontinue service. Should it become necessary for the Nelson Valley Water Association, Inc. representative to call at the Consumer's premises or other locations for the purpose of collecting a delinquent account, a charge of \$5.00 (Five Dollars) will be made to the member's account for the extra service rendered, due and payable at the time such delinquent is collected. If service is disconnected for non-payment, and additional charge of \$5.00 (Five Dollars) will be made for reconnecting service due and payable at time of such reconnection. It is the judgement of the Directors that the cost be \$5.00 at least for cost of labor, transportation, mileage, & etc. *All of service rendered by service will be subject to KAR 5:006 Section 11.*

16. Unpaid Checks from Consumers

When a check received in payment of a consumer's account is returned unpaid by the bank for any reason, the Nelson Valley Water Association, Inc. will notify such consumer by letter stating the amount of the check and the reason for its return. Returned checks will be considered same as a delinquent account, and, if payment in full is not received for check within five (5) days after notice, service to such consumer will be discontinued as prescribed under that section of Rule 15 dealing with unpaid accounts.

17. Billing Adjusted to Standard Periods

In case of the first billing of a new account and the final billing of an account where the period covered by the billing is a fraction of a month, the demand charge and or the water used will be pro-rated for proportional part of the billing period when computing such bill.

18. Deposits

A deposit or suitable guarantee approximately equal to two times the average monthly bill may be required of any member before service is supplied if the Nelson Valley Water Association, Inc. deems it necessary to insure payment for the service it will render. The Nelson Valley Water Association, Inc. may at its own option return the deposit after six (6) months. Upon termination of service, deposit may be applied against unpaid bills of the member, and if any balance remains after such application is made, said balance to be refunded to the member. They will pay interest in compliance with KRS 278.460 on deposits.

D. Classification of Consumers

19. Commercial Consumer

A commercial consumer will be any business establishment such as a store, office, garage, tavern, creamery, factory, hotel, tourist cabin resort, or institution other than schools, churches, or community halls. Consumers qualifying this classification shall be billed under said rates.

20. Residential and Commercial Establishment Occupying Same Premises Desiring Service Through A Single Meter

A member operating a commercial establishment on the same premises as his residence may be served through a single meter and shall be classified as a commercial consumer. If, however, the consumer prefers, it is not necessary for him to take all of his service under the commercial rate. Instead, the business establishment may be served under the commercial rate and his residence served under the farm and home rate. In this case, two (2) meters will be required.

21. Seasonal Residential Consumer

A season residential consumer will be classified as any non-farm residential consumer who normally uses water service for a house or cabin for a fractional part of a year. Consumers qualifying under this classification shall be billed under said rate.

22. Minimum Annual Charge for Seasonal Service

Consumers requiring service only during certain seasons not exceeding 9 months per year may guarantee a minimum annual charge, in which case there shall be no minimum monthly charge. The minimum annual charge shall be sufficient to assure adequate compensation for the facilities installed to service the consumer, and in no event shall it be less than twelve times the minimum monthly charge determined in accordance with the foregoing paragraph.

23. Temporary Service

Temporary service such as service to construction jobs, fairs and carnivals shall be supplied in accordance with the foregoing rate except that the consumer shall pay in addition to the foregoing charges the total cost of connecting and disconnecting service less the value of material return to stock. A deposit, in advance, may be required of the full amount of the estimated bill for service, including the cost of connection and disconnection.
