RULES AND REGULATIONS

SECTION 1. WATER CONNECTION CHARGES.

Water connection charges are hereby established and shall be exacted for each connection with the waterworks system of the District, based on the respective dates on which application is or was filed and on the respective sizes for meter connections, as follows:

<u>SIZE OF METER CONNECTION</u>		<u>CONNECTION OR TAP-ON FEE</u>
5/8" x 5/8" Meter	FOR RESIDENTIAL PROPERTY - No. 1 Billing (Single Family Unit)	\$280.00 Each
5/8" x 5/8" Meter	FOR RESIDENTIAL PROPERTY - No. 2 Billing (Multiple Family Unit)	\$280.00 Each
1" Meter	FOR COMMERCIAL PROPERTY	\$380.00 Each
2" Meter	FOR SCHOOL AND FACTORY	\$700.00 Each

SECTION 2. RIGHTS ON PAYMENT OF WATER CONNECTION CHARGES.

Water connections shall be made available to the owners of any premises (including residential, commercial, or industrial) abutting upon any street, road, alley, public way or easement in which a water line is constructed by the District within 50 feet of the property line or easement of such owner. Such lines shall be considered available to any premises as to which the boundary line or easement is located within 50 feet of such water line.

Any and all property owners to whom such lines are so available shall be entitled to a water connection upon timely payment of the prescribed water connection charge as set out above.

Any and all owners of properties where the property line or easement is located more than 50 feet from a water line shall be entitled to the same privilege by paying the additional cost of bringing a water line the additional distance, in excess of 50 feet, to his property line or easement.

SECTION 3. RIGHTS ON PAYMENT OF CONNECTION CHARGE: PAVEMENT REPLACEMENT.

shall entitle the owner of such property to have a water line brought to the edge of his property line or easement, and said charge includes the cost of replacing any pavement which may be disturbed on any dedicated public streets or ways during construction. Such property owner, if he desires water service, must bear the cost (including replacement of any pavement which may be disturbed on his premises during the construction) of running a water line from the building located on his premises to the point in said property line or easement where the District has brought the water line.

SECTION 4. COSTS OF INSTALLATION AND INDEMNIFICATION.

All costs, expenses and responsibility incident to installation, connection and use of water lines from the outlet side of the respective water meters to such respective premises where such respective water lines are brought to serve such premises and extending to the respective buildings on such premises, shall be borne by the respective property owners, who shall further indemnify the District from any loss or damage that may directly or indirectly be occasioned by the installation of such lines. All water connections shall be made under the supervision of the Management of said water works system in accordance with the Rules and Regulations of the Kentucky Department of Health.

SECTION 5. BASIC MONTHLY WATER RATES.

There shall be and there are hereby established from and after the effective date of this Resolution, basic monthly rates or charges for the water supplied by the waterworks system of the District, on attached tariffs and consists of:

SECTION 6. RATES ARE EXCLUSIVE OF SALES TAX.

The foregoing rates are rates to be charged by the District, and any applicable State and/or Local Taxes shall be added to each bill as a separate charge.

SECTION 7. EFFECTIVE DATES FOR WATER CHARGES.

The foregoing water rates and charges shall be effective as to all water customers beginning on the respective dates upon which each new water customer connects his premises to the water line made available to his premises.

SECTION 8. ALL CUSTOMERS METERED; NO FREE SERVICE.

It shall be mandatory for all customers of the waterworks system to be metered. No one shall receive or be entitled to free water service or to any such service without paying the full rates herein specified. The schedule of rates herein prescribed for monthly water service shall be uniformly charged to all customers of the waterworks system of the District. No customer shall re-sell water except under the terms of a special contract executed with the District.

SECTION 9. METERS READ MONTHLY.

Water meters shall be read monthly between the 1st and 5th of each month or as soon thereafter as weather and other conditions and circumstances may reasonably permit, and such reading shall continue as expeditiously as possible until all of the meters have been read.

In the event that upon the occasion of a monthly meter reading, it is found that the meter of a customer is defective or non-operative, such water bill shall be computed on the basis of the average monthly water consumption of such customer shown by the three preceding monthly meter readings, provided that if no such readings are then available, the applicable water bill may be computed on the basis of an estimate of water consumption, estimated by the Management of the waterworks system, subject to adjustment upward or downward according to the average of the next three succeeding monthly meter readings.

RULES AND REGULATIONS

SECTION 10 TERMINATION ON REQUEST.

The Management of the District waterworks system shall terminate water service to any customer within twenty-four (24) hours after receipt of written request from such customer to terminate such service.

SECTION 11. DEPOSITS

A deposit approximately equal to two times the average monthly bill may be required of any customer before service is supplied if the Management of the District waterworks system deems it necessary to insure payment for the service it will render. Upon termination of service, deposit may be applied against unpaid bills of the customer, and, if any balance remains after such application is made, said balance to be refunded to the customer.

Interest will accrue at the rate of 6% per annum on any deposit. Upon termination of service any accumulated interest will be applied against unpaid bills of the customer, and if any balance remains after such application is made, said balance will be paid to the customer.

The District will issue, to every customer from whom a deposit is received, a certificate of deposit showing the name of the customer, location of initial premises occupied, date and amount of the deposit.

SECTION 12. OWNERS PAY CONNECTION CHARGES; OCCUPANTS (OWNER OR TENANT) LIABLE FOR MONTHLY WATER CHARGES.

Connection charges, where applicable, shall be the obligation of the owners of the respective properties. All water charges, other than connection charges, shall be the obligation and responsibility of the customers receiving water service unless other arrangements have been made.

SECTION 13. MULTIPLE USERS.

Where two or more tenants or occupants (of different rental units) of property are served by a single water meter, the water rates and charges shall be the personal obligation, collectible by law, of the person or persons who apply for such service and make the required deposit.

RULES AND REGULATIONS

SECTION 14. REVISION OF RATES.

The schedule of rates and charges prescribed in this Resolution shall be revised from time to time, and whenever required, shall be increased so as to produce income and revenue from the waterworks system adequate to comply with such covenants and agreements as may be made by the District in connection with the Revenue Bond Issue financing referred to herein.

SECTION 15. BILLING; COLLECTION; PENALTIES.

The rates or charges aforesaid shall be billed monthly, which bills shall be mailed on or about the last day of each month, and all bills for such service shall be considered due and payable within 15 days.

SECTION 16. DELINQUENCY; DISCONNECTION OF WATER SERVICE; RECONNECTION.

If a bill is not paid within 40 days after the bill is mailed, the Management of the waterworks system shall disconnect the water service to such user.

Furthermore, the Management of the waterworks system may on or after the 40th day of delinquency, enjoin use of the water facilities of the District by said customer until payment is made in full.

If the 40th day after the bill is mailed falls on a Sunday or legal holiday, such deadline shall not expire until the next regular work day thereafter.

If such water service is disconnected by the District, reconnection of such service shall not be made until the owner or user pays all charges including arrears owed plus the amount of \$10.00 (Ten Dollars) as a reconnection charge.

SECTION 17. DEPOSIT IS NO EXCUSE FOR DELINQUENCY.

The foregoing provisions are intended to and shall apply regardless of the availability of any initial deposit required by this Resolution.

the full amount of the proceeds for such service shall be deposited as received and set aside into the appropriate fund as the Management of the system may designate, but subject to any different designation which may be made in any proceeding relating to the issuance of Revenue Bonds.

The records of the District with respect to charging, billing, collecting and accounting for water service shall be audited at least once each twelve months by an independent certified public accountant, and a report thereof shall be filed with the Secretary of the District, or shall be filed in such a manner and at such time or times as may be provided in any Resolution or proceeding of the District relating to the issuance of Revenue Bonds.

The cost of such audit shall be classified and paid as an expense of operation and maintenance of the District waterworks system.

SECTION 19. SEVERABILITY.

If any clause, provision, paragraph or section of this Resolution be ruled void or unenforceable by any court of competent jurisdiction, the remainder thereof is intended to be adopted and shall be in full force and effect notwithstanding.

SECTION 20. ALL FORMER PROVISIONS REPEALED; EFFECTIVE DATE OF RESOLUTION.

All District resolutions, orders, motion, or parts thereof, insofar as same may be in conflict herewith, are repealed, and this Resolution shall take effect from and after its adoption, approval, and publication as provided by law, except that the rates herein prescribed shall be effective on the respective dates herein provided.

Schedule of Special Service Charges

The following charges for special services shall be made:

1. Service Connection Charge. A charge of \$25 shall be made for all service reconnections made during regular working hours, except that there shall be no connection charges made for service on the original installation of facilities. If service is reconnected other than during regular working hours, the charge shall be \$35. The connection charge shall be \$10 if the serviceman does not have to visit the premises to turn meter on.
2. Meter Reading Recheck Charge. A charge of \$25 shall be made for a trip to recheck a meter reading when a customer requests the meter to be rechecked for a correct reading and the meter was not misread.
3. Meter Test Request. Upon request and payment of \$25 a customer may have his meter tested provided the request by the customer is not more frequent than once each twelve months. If such test shows the meter to be more than two percent fast, a refund of the \$25 charge shall be made and the bill adjusted accordingly.
4. PSC Meter Test Compliant. Any customer of the District may request a meter test by written application to the Commission.
5. Service Investigation Charge. A charge of \$25 per trip shall be made for service investigation during regular working hours if the interruption of service is not caused by a failure of the District's facilities. The charge for investigation after regular working hours will be \$35 per trip. Any repair and maintenance of facilities beyond the District's delivery point is the responsibility of the customer.
6. There is a returned check fee of \$8.00.
