RULES AND REGULATIONS

1. These rules and regulations are in addition to the rules of the Kentucky Public Service Commission.
2. Any resident or business of Reidland Water District is eligible for water service from the District, providing a water main is within 100 feet of his property line.
3. Water service will be terminated within 24 hours after receiving a written request from the customer requesting discontinuance. Request for discontinuance may also be made in person.
4. The District may require any applicant for service to pay a cash deposit not to exceed two-twelfths (2/12) of the estimated annual bill of such customer to assure payment of bill.
5. All applications for service shall be accompanied by a Service Connection Charge in the following amounts.

For a 5/8" x 3/4" Meter - \$400.00
6. The customer shall be responsible for all plumbing installed on his property beginning at the outlet side of the water meter, said installation to be in accordance with the rules and regulations of the Kentucky Department of Health.
7. All services shall be metered.
8. The District will not furnish free water to any person for any purpose.
9. A fee of \$10.00 shall be charged for re-establishing discontinued service. (Discontinued service is when meter is physically removed).
10. No connections to the water pipes of the system shall be made except by or under the supervision of a duly authorized officer, agent or employee of the system.

RULES AND REGULATIONS

11. If the water service of any customer is disconnected for non-payment of bills, the District shall require payment of a \$10.00 reconnection fee and payment of all delinquent water bills, including penalties, in full before reconnection is made. (Reconnection is when water is shut off but meter remains in place.)

12. Under no circumstances shall more than one permanent single family residential dwelling be provided service through a single meter.

13. Multiple Services.

(1) A commercial trailer park shall be defined as two (2) or more units occupying a common parcel of land and producing revenue or two (2) or more units designated as a trailer park by the Kentucky Department of Health for reasons of health and public welfare.

(2) A multi-family dwelling shall be defined as a permanent structure housing two or more families and producing revenue. Included in this definition are duplex, tri-plex, and apartment buildings.

(3) Multiple service for a permanent single family residential dwelling in combination with trailer homes, and trailer homes not otherwise classified as a commercial trailer park may be served from a single meter.

(4) Minimum Bill. Rates set forth herein are based on the capacity of the trailer park or multi-family dwelling, whether filled or not. For purposes of determining the capacity, the owner shall submit a plat of development to the District. Payment for water purchased shall be 50% of the regular residential minimum times the number of trailers or dwelling spaces available (includes 50% of residential minimum gallonage times number of spaces available). Balance of usage billed at regular residential rate schedule.

RULES AND REGULATIONS

14. Delayed Payment Charge

If bills are not paid before the 10th day of each month, a penalty of 10% of the bill shall be added to the bill.

15. Extension of Main.

A. Normal Extension.

An extension of fifty feet or less along an existing road shall be made by the Reidland Water District to its existing distribution main without charge for a prospective customer who shall apply for and contract to use service for one year or more and provide a guarantee for such service.

B. Other Extensions.

(1) When an extension of the Reidland Water District's main to serve an applicant or group of applicants amounts to more than fifty feet per applicant, the District may require the total cost of the excessive footage over fifty feet per customer to be deposited with the District by the applicants, based on the average estimated cost per foot of the total extension. Cost of the total extension shall be established from accurate records of construction cost by the District, including materials, labor, supervision, engineering, testing, disinfection, water and such other cost incurred by the District. Records of cost shall be maintained by the District and made available to the applicant or applicants receiving service.

(2) Each customer receiving service under such extension will be reimbursed under the following plan: Each year for a period of not less than ten years, which for the purpose of this rule shall be the refund period, the Reidland Water District shall refund to the customer or customers who paid for the excessive footage, the cost of fifty feet of the extensions or laterals therefrom; but, in no case shall the total amount refunded exceed the amount paid the District. After the end of the refund period, (10 years) no refund will be made.

RULES AND REGULATIONS

C. Extension To A Real Estate Subdivision.

(1) Applicants Cost of Extension. An Applicant desiring an extension to a real estate subdivision will initially be required to deposit a minimum of \$500.00 with the District prior to the development of preliminary construction drawings and cost estimate by the District's authorized engineering representative. If after the development of this preliminary information, the applicant withdraws the application for the real estate subdivision extension, the excess deposit over and above the actual administrative costs incurred by the District on the extension up to the time of withdrawal will be refunded to the applicant. Should the applicant desire to continue with the extension, the District may require the total estimated cost of the extension to be deposited with the District by the applicant. The preliminary costs incurred by the District and the initial deposit paid by the applicant will be included in the total estimated costs and total required deposit, respectively. The cost of the total extension shall be established from accurate records of construction cost by the District, testing, disinfection, water and such other costs incurred by the District. Records of cost shall be maintained by the District and made available to the applicant receiving service. If after the construction of the extension, the actual total cost of the extension is less than the total amount deposited by the applicant, the excess shall be refunded to the applicant. If the actual total cost of the extension is greater than the total amount deposited with the District by the applicant, amount equal to the excess in cost shall be deposited with the District prior to the District's final acceptance of the extension.

(2) Applicants Reimbursed for Cost of Extension. Each year for a period of not less than 10 years, the Reidland Water District shall refund to the applicant who paid for the extension a sum equivalent to the cost of 50 feet of the extension installed for each additional customer connected during the year but in no case shall the total amount refunded exceed the amount paid to the District. After the end of the refund period from the completion of the extension (10 years), no refund will be required to be made.

RULES AND REGULATIONS

D. Construction Procedure.

(1) Extensions by Water District. Water line extensions extended to customers under Item (A) Normal Extension (B) Other Extensions; or (C) Extension to a Real Estate Subdivision, shall be installed by the Water District's forces, or by a competent contractor employed by the Water District or by the person or persons desiring service and approved in writing by the Water District.

(2) Construction Drawings. Plans and specifications for proposed extensions shall be prepared by the Reidland Water District's authorized engineering representative shall comply with the District's standards, shall meet the requirements of the Kentucky Department of Health, the Public Service Commission and other applicable federal, state and local regulating agencies.

(3) Real Estate Subdivision Plats. A reproducible plat of a real estate subdivision as recorded in the County Court Clerk's office shall be furnished by the developer for use by the District's Engineer in laying out the proposed water lines.

(4) Utility Easements. Water mains shall generally be laid in a 15 foot permanent easement on private property. A 15 foot temporary construction easement adjacent to the 15 foot permanent easement shall also be required where practical, from each private property owner. The cost of obtaining easements shall be included in the cost of construction as set forth in Items 13B and 13C above.

(5) Service Lines and Service Connection Charges. Meters, meter boxes and service lines from the main to the meter will be installed by the Water District as required to customers adjacent to said main extensions, and the Water District shall be reimbursed for this service by the property owner in the form of a Service Connection Charge current at the time the service is made notwithstanding the following:

a. The District may under certain circumstances, alter Service Connection Charges to exceed the standard Service Connection Charges in effect for the purposes of reimbursement to applicants desiring extensions under Item 15B, Other Extensions, and Item 15C, Extensions to a Real Estate Subdivision, if said altered Service Connection Charges are approved by the State of Kentucky, Public Service Commission.

(6) Potable Water - Maintenance of Lines. After the mains have been installed, tested and chlorinated to the satisfaction of the Health Department, the Reidland Water District shall then accept the responsibility for furnishing potable water to the extension and for maintenance of the lines including meters, meter boxes and service lines from the main to the meter.

(7) Rates. Rates for furnishing water shall be the current rates then in effect for the Reidland Water District in the area served as approved by the Public Service Commission.

E. Other Arrangements for Extensions.

Nothing contained herein shall be construed to prohibit the Reidland Water District from making extensions under different arrangements provided such arrangements have been approved by the State of Kentucky Public Service Commission.

F. Extension by the Reidland Water District.

Nothing contained herein shall be construed as to prohibit the Reidland Water District from making at its expense, greater extensions than herein prescribed, should its judgement so dictate, provided like free extensions are made to other customers under similar conditions.

16. Customer Deposits for Water:

The District may request a cash deposit, or other suitable guarantee of any customer or applicant to secure payment of bills as rendered.

- (1) The amount of cash deposit shall be \$30.00 for water service only.
- (2) The amount of cash deposit shall be \$45.00 for water and sewer service.

17. Interest on Meter Deposits:

Interest will be paid on all sums held on deposit at a rate no greater than the water district receives in interest and at no time shall the interest payable to the customer exceed 6% annually. The interest will be applied as a credit to the customer's bill or will be paid to the customer on an annual basis. If the deposit is refunded or credited to the customer's bill prior to the deposit anniversary date, interest will be paid or credited to the customer's bill on a pro-rated basis. If interest is not credited to the customer's bill or paid to the customer annually, interest will be computed by a method which will result in an amount no less than that obtained by using a middle course method between simple and compound interest in compliance with Commission Order dated October 31, 1989 in Case No. 89-057. Interest on deposits computed in this manner will accrue until credited to the customer's bill or paid to the customer.
