PUBLIC SERVICE COMMISSION

CONTRACT FOR CONSTRUCTION OF WATER LINE

This agreement made this 13 day of May, 1993 by and between Thomer Excavating, Inc. of Cold Spring, Kentucky and the Tri-Village Water District of Owenton, Kentucky, witnesseth: That said Thomer Excavating, Inc. hereby agrees to furnish the hardware, materials and labor necessary to construct 1,500 feet of 6" water line through a mobile home park which is located on approximately 70 acres on Owenton and Stamping Ground Turnpike, Owen County, Kentucky. Said property is owned by John Robert Thomer and Alexis Thomer by virtue of a Deed recorded in Deed Book 169, Page 328 of the Owen County Clerk's Office. Said waterline will be installed pursuant to the specifications set forth by Tri-Village Water District. Said specifications are attached hereto. Upon installation of the waterline, Thomer Excavating, Inc. shall be responsible for maintenance and upkeep of the waterline for a one (1) year period. After expiration of one (1) year, Tri-Village Water District will be entitled to legal ownership of the waterline. Said waterline shall be constructed within easements granted for such purposes. Tri-Village Water District will own the waterline and associated hardware, but will not own the real estate upon which said waterline passes.

PUBLIC SERVICE COMMISSION OF KENTUCKY EFFECTIVE

JUN 17 1993

In consideration whereof, Tri-Village Water District, agrees to waive the \$530.00 per tap-in fee usually charged by the District for each and every service connection. No tap-in fees will be charged for hook-ups of services to the 6" waterline installed by
