## C. It is further mutually agreed between the Seller and the Purchaser as follows:

1.

ないである

Ŕ

1. (Term of Contract) That this contract shall extend for a term of <u>forty</u> years from the date of the initial delivery of any water as shown by the first bill submitted by the Seller to the Purchaser and, thereafter may be renewed or extended for such term, or terms, as may be agreed upon by the Seller and Purchaser. (30)

(40)

Provide the stimulation of Water) That <u>thirty</u> days prior to the estimated date of completion of construction of the Purchaser will notify the Seller in writing the date for the initial delivery of water.

3. (Water for Testing) When requested by the Purchaser the Seller will make available to the contractor at the point of delivery, or other point reasonably close thereto, water sufficient for testing, flushing, and trench filling the system of the Purchaser during construction, irrespective of whether the metering equipment has been installed at that time, at a

flat charge of \$ \_\_\_\_\_ which will be paid by the contractor or, on his failure to pay, by the Purchaser.

4. (Failure to Deliver) That the Seller will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish the Purchaser with quantities of water required by the Purchaser. Temporary or partial failures to deliver water shall be remedied with all possible dispatch. In the event of an extended shortage of water, or the supply of water available to the Seller is otherwise diminished over an extended period of time, the supply of water to Purchaser's consumers shall be reduced or diminished in the same ratio or proportion as the supply to Seller's consumers is reduced or diminished.

5. (Modification of Contract) That the provisions of this contract pertaining to the schedule of rates to be paid by

(5) the Purchaser for water delivered are subject to modification at the end of every  $\underline{five}$  year period. Any increase or decrease in rates shall be based on a demonstrable increase or decrease in the costs of performance hereunder, but such costs shall not include increased capitalization of the Seller's system. Other provisions of this contract may be modified or altered by mutual agreement.

6. (Regulatory Agencies) That this contract is subject to such rules, regulations, or laws as may be applicable to similar agreements in this State and the Seller and Purchaser will collaborate in obtaining such permits, certificates, or the like, as may be required to comply therewith.

7. (Miscellaneous) That the construction of the water supply distribution system by the Purchaser is being financed by a loan made or insured by, and/or a grant from, the United States of America, acting through the Farmers Home Administration of the United States Department of Agriculture, and the provisions hereof pertaining to the undertakings of the Purchaser are conditioned upon the approval, in writing, of the State Director of the Farmers Home Administration.

8. (Successor to the Purchaser) That in the event of any occurence rendering the Purchaser incapable of performing under this contract, any successor of the Purchaser, whether the result of legal process, assignment, or otherwise, shall succeed to the rights of the Purchaser hereunder.

## SUBSTITUTE PARAGRAPH "A" - 3.

The Beech Grove Water System, Inc. shall purchase and install the metering devices at the points of delivery, but the West Daviess County Water District shall own, operate, and maintain the metering devises. The West Daviess County Water District shall perform such tests and inspections of the meters as may be necessary to maintain them at the highest practical commercial standard of accuracy, with tests performed at intervals of not more than 12 months, and the West Daviess County Water District shall advise the Beech Grove Water System, Inc. promptly of the results of all such tests. The West Daviess County Water District shall give Beech Grove Water System, Inc., notice of and the opportunity to have representatives present at any such tests or inspections. The West Daviess County Water District shall make additional tests of said meters at the request of the Beech Grove Water System, INC., and in the presence of said corporation's representatives.

The standard of accuracy shall be two (2%) per cent, slow or fast. If such tests shall show that the metering in inaccurate by more than the standard, correction shall be made in the billing to the Beech Grove Water System for the period during which the parties agree that the inaccuracy existed. If no such agreement is reached, it shall be assumed that the error developed progressively from the date of the last metering test and the appropriate adjustment shall be made.
