FUEL COST ADJUSTMENT

In the event the rate under which the Corporation purchases power at wholesale is adjusted in accordance with a fuel cost adjustment provision contained in either the tariff of the Corporation's wholesale power supplier, or in the Corporation's wholesale power contract, the foregoing energy charges shall be adjusted each month by the same amount per kilowatt hour of sales by the Corporation equal to the dollar amount of the fuel cost adjustment in the Corporation's wholesale power costs for the next preceding month.

ELECTRICALLY HEATED HOMES

Corporation has developed from REA Bulletin 142-1 (ELECTRIC HOUSE HEATING), a heat loss calculation schedule for a properly insulated home which provides adequate capacity for home heating and is as follows:

- BASEMENT (BELOW GROUND LEVEL) . . . . . 4½ WATTS PER SQUARE FOOT
- FIRST FLOOR . . . . . 9 WATTS PER SQUARE FOOT
- SECOND FLOOR . . . . . 6 WATTS PER SQUARE FOOT

If electric heat demand exceeds 10% resulting from the above formula Corporation may, at its sole discretion, apply an applicable rate carrying demand provisions as presently filed with the Kentucky Public Service Commission.

APPLICATION FOR MEMBERSHIP (CONTINUED)

- 4. The undersigned shall have all rights and privileges granted to members under the Articles of Incorporation and Bylaws of the Corporation or any amendments thereto and will comply with and be bound by such Articles of Incorporation and Bylaws and all rules and regulations as may from time to time be adopted by the Board of Directors of the Corporation.
- 5. The acceptance of this application by the Corporation shall constitute an agreement between the Corporation and the undersigned upon the terms hereinabove set forth.

MEMBERSHIP FEES

A Membership Fee of \$5 is required of all new consumers, however, only one membership is required of those members with multiple accounts. The Membership Fee shall be refunded if all financial obligations are paid or shall be applied against any unpaid bills of the member at the time service is discontinued. This will automatically terminate the membership.

CONSUMER ADVANCE PAYMENT

Any person applying for electric service shall pay, in addition to the Membership Fee of \$5 and in advance of service being rendered, an amount equal to one month's average bill (definition of one month's average bill meaning the overall average bill per consumer of the Corporation, exclusive of large power contracts not covered by the Corporation's general tariff), but in no case less than \$20; unless however, said applicant for electric service shows evidence that the property to which service shall be extended is owned by applicant and that permanent living facilities have been or are in the process of being constructed thereon. In such case, the applicant shall be required to pay only the \$5 Membership Fee.

CLASSIFICATION OF CONSUMERS

Classification of consumers for accounting purposes is in accordance with prescribed REA Manual of Accounts.

METER-READING, BILLING AND COLLECTING

All meters with demand devices are read by Corporation. Other meters are read by Corporation on a staggered time basis. Corporation provides space on billing statement for consumer to record meter-reading at other times. The meter-reading is returned to Corporation at time payment is made and reading is used for next billing.

Billing is prepared on basis of rates approved by Board of Directors and Public Service Commission.

Dates for meter-reading, billing, mailing of bills, payment due, mailing of delinquent notices and cutoffs are on the following page.

P.S.C. KY. NO. 5

FIRST REVISED SHEET NO. 10

CANCELLING P.S.C. KY. NO. 4

ORIGINAL SHEET NO. 10

RULES AND REGULATIONS

C In the event payment for electric service has not been received by subsequent month due date (c) the consumer will be mailed a notice of the Corporation's intention to discontinue electric service unless the account is paid by a specified date, seven days hence. If the account is not paid by this specified date, a representative of the Corporation will visit consumer's premises to discontinue electric service. If the consumer desires to pay the account to the employee at that time, he will be charged the amount due for electric service plus a \$2.50 service charge. In the event service is disconnected, an additional \$2.50 service charge will be made for reconnection. The amount due, plus \$5 will have to be paid before service is reconnected.

Failure to receive bill does not relieve consumer from his obligation to pay bill by due date.

BUDGET BILLING

Consumers using electricity for home heating have an opportunity to sign agreement with the Corporation for spreading billing evenly over a 12-month period. The billing is based on an estimated consumption made by a Corporation representative. At the end of the 12-month period the difference between payments and actual use is adjusted by adding or crediting the difference on the regular electric service bill. Copy of agreement is made a part of Rules and Regulations.

ASSIGNMENT

Subject to the Rules and Regulations, all contracts made by the Corporation shall be binding upon, and oblige and inure to the benefit of, the successors and assigns, heirs, executors and administrators of the parties thereto.

NO PREJUDICE OF RIGHTS

Failure by the Corporation to enforce any of the terms of this tariff shall not be deemed as a waiver of the right to do so.

TAXES

Pursuant to the authority vested in KRS-139.210, there shall be added to the bill of all applicable subscribers the Kentucky Veterans Bonus Sales and Use Tax imposed by KRS-139.200. The Utility Gross Receipts License Tax for schools authorized by KRS-160.613 shall be added to all applicable subscriber bills in accordance with KRS-160.617, which authorizes a rate increase for the school tax.
