RULES AND REGULATIONS

13. RECONNECTION CHARGES

The cooperative will make no charge for connecting service to the member's premises for the initial installation of service, or to the member's premises if the service to be connected is replacing service which has been destroyed by fire. When service has been terminated, or service is transferred to a new member, the cooperative's representative shall read the meter at such premises and secure the necessary application for service from the new occupant. A service charge of \$2.00 (two dollars) will be made to new occupant for the reconnecting or transferring of such service. Service charge will be due and payable at time of connection or transfer or upon notice of said charge. No meters shall be installed or reinstalled after working hours unless in the judgment of the Manager there exists circumstances that will justify the additional expense.

14. RESALE OF POWER BY MEMBERS

All purchased electric service used on the premises of the member shall be supplied exclusively by the cooperative and the member shall not directly or indirectly sell, sublet, or otherwise dispose of the electric service or any part thereof.

15. SERVICE CHARGE

All service calls made by the cooperative pertaining to the consumer's premises shall be charged at the rate of \$2.00 (two dollars) per call.

16. SERVICE CHARGE FOR TEMPORARY SERVICE

Consumers requiring temporary service may be required to pay all costs of connecting and disconnecting incidental to the supplying and removing of service. In addition to this a deposit will be required to cover estimated consumption of electricity. Both fees will be paid in advance. Any balance remaining at the end of temporary service shall be refunded.

RULES AND REGULATIONS

Meter cards are mailed to all other consumers on the nineteenth of each month, in order to reach consumers by the twenty-second. Upon failure of consumers to return the meter reading card for three consecutive months the cooperative shall have its representative read the member's meter and a service charge of \$2.00 will be made for the extra service rendered. The service charge will be made to the member's account and will be due and payable upon notice of said charge. In the event that an error in meter reading should be made then the member shall pay for that month an amount equal to approximately his average bill. The following month his bill shall be computed on the regular schedule prorated for two months, and the amount paid shall be credited.

26. RATES

Billing shall be prepared on basis of rates approved by board of directors and Public Service Commission.

27. UNPAID CHECKS FROM CONSUMERS

When a check received in payment of a consumer's account is returned unpaid by the bank for any reason, the cooperative will notify such consumer by letter stating the amount of the check and the reason for its return. Returned checks will be considered same as a delinquent account and if payment in full is not received five days after notice, service to such a consumer will be treated in the same manner as described under Rule 24 for delinquent accounts.

Classification of Consumers

28. FARM AND HOME CONSUMERS

Each separate house or other living quarters occupied as a distinct household is considered a "Farm and Home" consumer. Consumers classifying under this classification shall be billed under rate schedule "A".

When electricity supplied through a single meter is used for both residential and commercial purposes, classification shall be made according to principal use.
