transferred to a new member, the Cooperative's representative shall read the meter at such premises and secure the necessary application for service from the new occupant. A service charge of \$5.00 (five dollars) will be made to new occupant for the reconnecting or transferring of such service. Service charge will be due and payable at time of connection or transfer, or upon notice of said charge. No meters shall be installed or reinstalled after working hours unless in the judgment of the Manager there exists circumstances that will justify the additional expense. In these cases a service charge of \$25.00 (twenty-five dollars) will apply.

14. RESALE OF POWER BY MEMBERS

All purchased electric service used on the premises of the member shall be supplied exclusively by the Cooperative and the member shall not directly or indirectly sell, sublet, or otherwise dispose of the electric service of any part thereof.

15. SERVICE CHARGE

All service calls made by the Cooperative pertaining to the consumer's premises shall be charged at the rate of \$5.00 (five dollars) per call during normal working hours.

16. SERVICE CHARGE FOR TEMPORARY SERVICE.

Consumers requiring temporary service may be required to pay all costs of connecting and disconnecting incidental to the supplying and removing of service. Consumers will be billed for electric service as any other consumer during the connected period.

Effective July 1, 1974, the Cooperative will furnish a temporary service board for temporary services. There will be a \$20.00 service charge for this service, for a period of 6 months, with a \$5.00 per month charge for each additional month, up to a maximum of 12 months. This service charge of \$20 must be paid before the temporary service is installed.

METERS

17. METER TESTS

All new meters shall be checked for accuracy before installation. The Cooperative will, at its own expense, make periodic tests and inspections of its meters in order to maintain a high standard of accuracy and to conform with the regulations of the Energy Regulatory Commission. The Cooperative will make additional tests of meters at the request of the member upon payment of a \$10.00 fee, if the meter has been
