RESIDENTIAL RATE, SCHEDULE R-2  
 (Revision of February 1969)

Availability

This rate shall apply only to electric service in a single private dwelling and its appurtenances, the major use of which is for lighting and household appliances, for the personal comfort and convenience of those residing therein. Private dwellings in which space is occasionally used for the conduct of business by a person residing therein will be served under this rate. Where a portion of a dwelling is used regularly for the conduct of business, the electricity consumed in that portion so used will be separately metered and billed under the General Power Rate; if separate circuits are not provided by the customer, service to the entire premises shall be billed under the General Power Rate. This rate shall not apply to service institutions such as clubs, fraternities, orphanages or homes; recognized rooming or boarding houses; or the space in an apartment or other residential building primarily devoted to use as an office or studio for professional or other gainful purposes.

Character of Service

Alternating current, single or three-phase, 60 cycles. Voltage supplied will be at the discretion of Distributor and will be determined by the voltage available from distribution lines in the vicinity and/or other conditions.

Adjustments

The customer's bill for each month will be increased or decreased by:

(1) 0.01 mill per kwh for each 0.01 mill or major fraction thereof by which TVA's fossil and nuclear fuel expense per kwh sold by TVA as determined by TVA from its records exceeded or was less than 1.45 mills, respectively, during the most recently completed fiscal year ending with June 30, and

(2) 0.03 mill per kwh for each 1 cent or major fraction thereof by which the sum of (a) TVA's interest charges to operations during the most recently completed fiscal year ending with June 30 and (b) the return on the appropriation investment that TVA is obligated to pay for the fiscal year immediately following said most recently completed fiscal year, divided by the sum of the monthly billing demands of power sold by TVA in said most recently completed fiscal year as determined by TVA from its records exceeded or was less than 40 cents, respectively.

Each adjustment made pursuant to (1) and (2) above shall be effective for 12 consecutive monthly billings beginning with the first bill rendered from meter readings taken after August 1 of the calendar year in which each such fiscal year ends.

Minimum Monthly Bill

Not more than \$2.50 per meter.

Payment

Above rates and charges are net, the gross rates being 10 percent higher. In the event the current monthly bill is not paid within 10 days from date of bill, the gross rates shall apply.

Incandescent, open or enclosed globe	200 to 350 watts	2.00
Mercury	100 to 200 watts	2.50
Mercury	200 to 450 watts	3.50
Mercury	450 to 1,200 watts	7.00

The above charges in this Part B are limited to service from a standard street lighting fixture installed on a pole already in place. The fixture shall be photoelectrically controlled singly or as part of a group. If the customer wishes the fixture at a location other than on a pole already in place, Distributor may apply a monthly charge not to exceed 50 cents per pole for additional poles required to serve the fixture from Distributor's nearest available source. Distributor may adjust the above base monthly charges up or down by an amount not to exceed 50 cents. The foregoing rate is busject to revision on July 1 of each year based on changes in costs of providing service under this rate.

When so authorized by policy duly adopted by Distributor's governing board, special outdoor lighting installations may be provided, owned, and maintained by and at the expense of Distributor's electric system. Distributor may require reimbursement from the customer for a portion of the initial cost of such installation and shall require payment by the customer of monthly charges sufficient to cover all of Distributor's costs, including appropriate overheads, of providing, operating, and maintaining such installations.

Lamp Replacements
