PURCHASED GAS COST ADJUSTMENT CLAUSE

Determination of GCR

The Company shall file a quarterly report with the Commission which shall contain an updated Gas Cost Recovery Rate (GCR) and shall be filed at least thirty (30) days prior to the beginning of each calendar quarter. The GCR shall become effective for billing for service rendered on or after the first day of each calendar quarter.

The Gas Cost Recovery Rate is comprised of:

1. The expected gas cost component (EGC) on a dollar-per-Mcf basis, which represents the average expected cost of purchased gas.
2. The Actual Cost Adjustment (ACA), on a dollar-per-Mcf basis, compensates for over- or under-collection of gas cost resulting from differences between expected gas cost and the actual cost of gas. For purposes of determining the GCR, the ACA for the application period shall equal the sum of the ACA for the reporting period and for the three (3) preceding calendar quarters.
3. The supplier refund adjustment (RA) on a dollar-per-Mcf basis, which reflects the refunds received from suppliers during the reporting period plus interest at a rate equal to one-half of one percent below the average 90-day commercial paper rate for the twelve-month period. In the event of any large or unusual refunds, the Company may apply to the Public Service Commission for the right to depart from the refund procedure herein set forth.

Billing

The gas cost recovery rate to be applied to bills of customers shall equal the sum of the following components:

$$GCR = EGC + RA + ACA$$

The GCR will be added to or subtracted from the tariff rates prescribed by the Commission Order on the Company's latest general rate case and will be included in the tariff rates stated on each applicable rate sheet within this tariff.

Definitions

For purposes of this tariff:

- a. "Average Expected Cost" is the cost of purchased gas which results from the application of supplier rates currently in effect, or reasonably expected to be in effect during the calendar quarter, on purchased volumes for the most recently available twelve-month period, divided by the corresponding sales volume. In the event that line loss exceeds 5 percent, purchased volumes for the twelve-month period shall be calculated as: sales volumes + .95. Where the calculations require the use of volumes used during a given period, and those volumes did not exist for a particular source for the entire period, or the Company expects the volumes to change substantially, the Company may make appropriate adjustments to its calculations. Any adjustments of this type shall be described in the quarterly Gas Cost Recovery Report.

RULES AND REGULATIONS

Discontinuance of Service

The utility may refuse or discontinue service to an applicant or customer, after proper notice for failure to comply with its rules and regulations or state and municipal rules and regulations, when a dangerous condition is found to exist on the customer's or applicant's premises, when a customer or applicant refuses or neglects to provide reasonable access to the premises, for fraudulent or illegal use of service, or for nonpayment of bills.

If discontinuance is for nonpayment of bills, the customer shall be given at least ten (10) days written notice, separate from the original bill, and cut-off shall be effected not less than twenty-seven (27) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the utility a written certificate, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may be effected not less than thirty (30) days from the date the utility notifies the customer in writing, of state and federal programs which may be available to aid in payment of bills and the office to contact for such possible assistance. When a dangerous condition is found to exist on the customer's or applicant's premises, service shall be cut off without notice or refused.

Budget Billing

Customers have an opportunity to sign agreements with the company for spreading billing evenly over a twelve month period. The billing is based on estimated consumption made by a company representative. In May, the end of the twelve month period, the difference between payments and actual usage is adjusted by adding or crediting the difference of the regular gas service bill. A copy of the agreement is made a part of the company's Rules and Regulations.

BUDGET BILLING AGREEMENT

THIS AGREEMENT, made in duplicate between Case Enterprises, Inc. a Kentucky Corporation with its principal office at Elkhorn City, Kentucky (hereinafter called the "Company") and _____ (hereinafter called the "Consumer") located at _____.

WITNESSETH:

That in consideration of Consumer's request to make gas service payments under the Company's Budget Payment Plan, the Consumer shall pay the Company at a fixed amount each month in lieu of monthly billings based on actual usage; whereby, any difference in the actual amount due and the fixed amount paid each month shall be payable in full each year upon receipt of the June billing.

It is further agreed:

1. The Consumer agrees that if at any time the Rate under which the Company purchases gas service at wholesale is modified, the Company may make a corresponding modification in the rate for service hereunder and the budget payment amount shall be adjusted accordingly.

2. The Consumer agrees that if at any time the Rates and/or Terms and Conditions as set forth in the Company's Rate are adjusted or changed and said adjustments and/or changes are approved by the Kentucky Energy Regulatory Commission said adjustments and/or changes will become effective and supercede, cancel and replace rates and/or terms and conditions provided in existing rate prior to the effective date as set forth in the Energy Regulatory Commission's Order approving the Adjustments and/or changes.

3. The Consumer agrees that monthly budget payments are subject to change where a trend develops indicating the amount set up is insufficient to result in a reasonable balance due in the June Billing Period; at which time, the difference in the fixed amount and actual cost of gas service is payable in full.

4. It is agreed that the Consumer shall make payment each month in the full amount of the Budget Payment as state herein, irregardless of any accumulated charges or credits for actual use. The accumulated charges or credits shall be adjusted on the June Billing. Should the Consumer fail to make such budget payments by due date, service will be disconnected and entire balance becomes due and payable before service is restored. The Consumer shall be ineligible for future billing under the Budget Payment Plan.

5. This agreement shall continue from year to year, unless terminated by either party giving to the other notice in writing subject to the provision stated in #4 above.

THEREUPON, it is agreed that _____ pay to Case Enterprises, Inc. each month beginning with _____ Billing for gas service in the amount of \$ _____ under this Budget Billing Agreement, and shall pay in full annually the balance resulting from differences in actual usage and fixed amount paid each month in June Billing. If a credit balance (overpayment) exceeds \$ _____ it shall be refunded upon request. Any credit balance less than \$ _____ will be applied on the succeeding month's bill.
