APPLICABILITY

Applicable to firm (capacity) transportation service and available to any customer who enters into a written agreement with the Company and has arranged for the delivery of gas into the Company's system for the customer's sole use at one point of delivery where distribution mains are adjacent to the premise to be served. Any service provided hereunder shall be by displacement. The Company reserves the right to decline requests to initiate or continue such service whenever, in the Company's judgment, rendering the service would be detrimental to the operation of the Company's system or its ability to supply gas to customers receiving service under the provisions of Rate RS and Rate GS. (T), (C)

NET MONTHLY BILL

The Net Monthly Bill is computed in accordance with the following charges: (R)

Administrative Charge per Month: \$250.00

Commodity Charge per CCF:

Company will deliver the arranged-for gas, less shrinkage which is equal to the Company's system average unaccounted for percentage, in accordance with the charges and provisions of customer's applicable general service rate exclusive of the Gas Cost Recovery charge. (R)

Plus a take-or-pay recovery charge as set forth on Sheet No. 71 Rider T-O-P (T)

Any gas delivered through customer's meter in excess of customer's daily and/or monthly transported volumes, including prior month transportation imbalances and Standby Service volumes, if applicable, shall be considered unauthorized deliveries, unless Company can provide a supply which will not be detrimental to the Company's sales service customers. (T)

LATE PAYMENT CHARGE

Payment of the Net Monthly Bill must be received in the Company's office within twenty-one (21) days from the date of the bill is mailed by the Company. When not so paid, the Gross Monthly Bill, which is the Net Monthly Bill plus 5%, is due and payable.

UNAUTHORIZED DELIVERIES

In addition to gas delivered to customer's meter in excess of customer's transported volume, as described above, unauthorized deliveries include customer's failure to interrupt deliveries at Company's request. All unauthorized deliveries shall be billed at a rate charged by the Company's interstate pipeline supplier(s) for such unauthorized deliveries, in addition to the charges set forth under the Net Monthly Bill provision of this tariff. (T), (C)

TERMS AND CONDITIONS

The Company reserves the right, at any time, to curtail or interrupt the delivery or transportation of gas under this tariff when, in the judgment of the Company, such curtailment or interruption is necessary to enable the Company to maintain deliveries to higher priority customers or to respond to any emergency. (N)

The customer shall enter into a written agreement with the Company. Such agreement shall set forth specific arrangements as to the transportation service as well as any other circumstances relating to the individual customer.

Customer shall be responsible to make all necessary arrangements and secure governmental approvals, certificates or permits to enable the gas to be delivered to the Company's system.

TERMS AND CONDITIONS (Continued)

At least one day preceding the day transportation nominations are due to the interstate pipeline(s) transporting customer's gas, customer or customer's supplier agrees to inform Company in writing or, at Company's discretion, verbally, and confirm, in writing, within seven (7) days thereafter, the quantities of gas it desires to have transported for the upcoming month, along with all other necessary information. Customer agrees upon request to produce, in a timely manner, proof of the purchase of the natural gas transported, any necessary regulatory approvals, and any and all transportation arrangements with all interstate pipelines, intrastate pipelines, or others involved in transporting customer's gas. (N), (T)

If customer's delivered transportation volume exceeds customer's monthly metered volume used for billing, customer will have an imbalance, which must be eliminated as soon as possible. Company shall have the right to impose penalties on customer's daily or monthly imbalances, or to refuse to accept future nominations from customer or customer's supplier until imbalances are eliminated. Company will not be liable for any penalties charged by pipelines because of customer's supplier's over or under deliveries into the pipeline, or customer's failure to take deliveries through customer's meters for the exact amount of gas transported by the pipeline to Company's city gate. (C)
