COVINGTON, KENTUCKY

September 9, 1965

Interlake Steel Corporation
9th and Lowell Streets
Newport, Kentucky

Attention: Mr. Charles H. Sloan Jr., Works Manager

Subject: Rate for winter off-peak gas from November 1,
1965, through March 31, 1966

Gentlemen:

Conditions are such that during the winter period from November 1, 1965, through March 31, 1966, we are in a position to reduce the contract rate for winter off-peak gas 2¢ per Mcf for the first 600,000 Mcf used per month.

If the above change is acceptable to you, will you please sign the original copy of this letter and return it to us. When received by us, it will be considered a temporary modification of our gas contract with you dated February 14, 1961, insofar as applicable for the period from November 1, 1965, through March 31, 1966.

Very truly yours,

THE UNION LIGHT, HEAT AND POWER COMPANY
