CLASSIFICATION OF SERVICE

RATE PER UNIT

Special Rate to Existing Natural Gas Distribution Company Customers for Resale to Industrials on Interruptible Basis:

Monthly Rate: Summer Rate (six months, May thru October): \$1.059 per MCF; Winter Rate (six months, November thru April): \$1.159 per MCF. Minimum \$1,000.00 per month for each industrial customer served by the distribution company on a special rate, interruptible basis. Minimums must be guaranteed for twelve consecutive months. Carry-over and summation not permissible in computing number of minimums, i.e., each industrial customer constitutes a minimum each month.

1. To obtain billing under this special rate the distribution company must furnish name, type of business, rate and estimated natural gas requirements for each of its interruptible basis customers; and, obtain confirmation of The Wisser Oil Company.
2. All other volumes of natural gas (after deducting subject gas volumes as reported by distribution company per users' meters), will be billed at established basic rate on file with PSC. The Wisser Oil Company is privileged to verify meter readings of users, on special industrial interruptible rate.
3. The Wisser Oil Company shall have the right to curtail the deliveries of gas hereunder whenever, and to the extent necessary, in its sole judgment, normal supplies of natural gas are imperiled.

Other terms and conditions the same as for basic rates on file with the PSC.
