RULES AND REGULATIONS

1. There shall be no air-way drains connected to the sanitary sewer system. If such a violation is found, the home owner will be charged for the estimated gallons of water put into the sewer system immediately upon notification to do do.
2. No ground water shall be put into the sewer system by an opening in the sewer pipe beneath the basement floor or from any other source. The home owner will be charged for the estimated ground water and will be responsible for stopping the inflow of water immediately.
3. Home owner shall be responsible for any infiltration of ground water into the sewer system between the property line and the dwelling.
4. No down spouts shall be connected to the sewer system. The home owner will be charged for the amount of water put into the sewer system during the time they were connected.
5. The contractors, builders and home owner shall be bound by State and County Health Regulations during and after construction.
6. It is understood that the sewage disposal plant and all trunk and lateral lines are owned solely by Hillridge Facilities Inc. That the sole responsibility of maintenance and operation of the plant and repair and maintenance of all lift station, trunk and lateral lines belong to Hillridge Facilities, Inc.
7. Any resident, builder, home owner, or contractor tampering with or engaging in any contract with plant or sewer lines shall be responsible for damages caused by such activity.
8. During construction of a dwelling the builder shall be responsible for water, mud or debris that enters the sewer system through negligence of leaving an open sewer line without the proper plug in the open end. The builder shall be responsible for the cost of damages caused by such actions to the plant or sewer system.
9. There will be a 10% penalty for bills not paid by the due date.
10. Tap in fees will be set by Hillridge Facilities Inc. at the time Service is applied for.
11. All sewer fees shall be collected by the Louisville Water Co.

BUDGET PAYMENT PLAN

This utility does not have a definite payment plan. Delinquent customers are not pressured for payments. This utility follows this procedure, unless the customer has a delinquency of over \$ 100.00, then this utility will ask for payment. Should payment not be forthcoming to lessen the indebtedness then this utility will force collection, and discontinue service as provided by the Public Service Commission Regulations.

TURN ON AND TURN OFF CHARGE

The customer is notified 15 (fifteen) days prior to discontinuing service. The Health Department and Public Service Commission is simultaneously notified of such action. The cost of turn off and turn on charges are given with the termination notice and is approximately \$ 1,200.00 (twelve hundred dollars) payable in advance of reconnection. Approval for the disconnect charge from the Public Service Commission 807- K.A.R. 5.011 section 10. This will not be enforced before 20 days after the first unpaid bill.

A late charge of 10% may be assessed for late payment. The late payment fee is only assessed once.

RULES AND REGULATIONS

This schedule of Rules and Regulations governs the furnishing of sewage service by HILLRIDGE FACILITIES INC, hereinafter referred to as the Utility and applies to all service received from the Utility. All Rules and Regulations are to be in effect so long as they are not in conflict with the rules and regulations of the Public Service Commission. The Utility is further subject to all Rules and Regulations of the Public Service Commission.

SERVICE AREA

The utility furnishes sewer service to HILLRIDGE - HILLRIDGE EAST
(Subdivision)
located at NEAR - JEFFERSON TOWN in JEFFERSON County, Kentucky
(City)

SUBSTANCES NOT TO BE DISCHARGED INTO SEWERS

No substances shall be placed into the sanitary sewer system which will create a combustible, gaseous, explosive or inflammable condition nor shall any substances or objects be placed or discharged into the system which will not dissolve and which will thus cause an obstruction and clogging within the system. No petroleum products shall be placed or discharged into the system. No storm water or surface water drain shall be connected with the sanitary sewer system nor shall any storm or surface water be otherwise introduced into the system.

SEWER LINES

A sewer service pipe shall not be laid in the same trench with a water pipe.

If a governmental agency requires an inspection of the customer's plumbing, the Utility shall not connect the customer's service pipe until it has received notice from the inspection agency certifying that the customer's plumbing is satisfactory. When necessary to move or relocate facilities, the cost will be paid by the party or parties requesting such relocation.

RULES AND REGULATIONS

SEWER FAILURE

The utility is responsible for the maintenance of that portion of the service line installed by the Utility and the customer is responsible for the maintenance of that portion installed by the customer.

PROTECTION BY CONSUMER

The Consumer shall protect the equipment of the Utility on his premises and shall not interfere with the Utility's property or permit interference except by duly authorized representatives of the Utility.

NOTICE OF TROUBLE

The Consumer shall give immediate notice to the Utility of any irregularities or unsatisfactory service and of any known defects.

CONNECTION CHARGES

Normal connections to existing sewer lines shall be made without charge for a prospective customer who applies for and contracts to use service for one (1) year or more. Any such connection made at the property line of a prospective customer shall be classified as a normal connection.

Any prospective customer, and any subdivider, developer, contractor, or other entity which is not a prospective customer, requiring service for a defined undeveloped area that is determined feasible to serve, will be charged the full cost of installation. In such instances the prospective customer, subdivider, developer, contractor, or other entity which is not a prospective customer will be charged a contribution in aid of construction.

If any prospective customer is directly charged a contribution in aid of construction, the contribution charged shall be subject to Public Service Commission approval. If any subdivider, developer, contractor, or any other entity which is not a prospective customer is directly charged a contribution in aid of construction, the contribution charged shall be subject to negotiation between the utility and the subdivider, developer, contractor or other entity which is not a prospective customer, and such charge shall not be subject to Public Service Commission approval.

RULES AND REGULATIONS

Any customers ultimately connected under this arrangement shall be charged according to the utility's current approved rates filed with the Public Service Commission.

For purposes of this provision the term "prospective customer" shall mean any person, firm or corporation which expresses an intent to become an ultimate user or customer of the utility at the time of the contribution in aid of construction is charged. A subdivider, developer or contractor is not considered a "prospective customer" for purposes of this section.

DISCONTINUANCE OF SERVICE BY THE UTILITY

The Utility may refuse or terminate service for noncompliance with its tariffed rules or commission regulations after having made a reasonable effort to obtain customer compliance. Said customer will be given at least ten (10) days written notice prior to termination.

If a dangerous condition is found to exist service may be terminated without notice however, the utility will notify the customer in writing and if possible orally of the reasons for termination or refusal. The notice will be recorded along with the corrective action to be taken by the customer or the utility before service is restored or provided.

The utility may terminate service for nonpayment of tariffed charges after a five (5) day written notice of intent to terminate. Service will not be terminated before twenty (20) days after the mailing date of the original bill. If a medical certificate is presented service will not be terminated for thirty (30) days beyond the termination date.

When payments are delinquent the Utility may file a complaint in court. The Utility may request that all court costs be included in any judgement amount awarded to the Utility.

DISCONTINUANCE AT CUSTOMER'S REQUEST

Customers who have fulfilled their contract terms and wish to discontinue service must give at least three (3) days notice. The notice may be given in writing, in person or via telephone. Notice to discontinue prior to expiration of contract term will not relieve the customer from any minimum or guaranteed payment.
