Re: Failure to File 2023 Report of Gross Operating Revenues

Dear Mr. Gleaton:

Pursuant to KRS 278.140 and 807 KAR 5:006, Section 4, CoreTel Kentucky, Inc., is required to file a Report of Gross Operating Revenues (Gross Report) of its utility operations. This report is to cover the preceding year's activities and is due by March 31 annually. As of this date, we have not received the 2023 Gross Report.

This letter serves as notice that if the utility fails to file its Gross Report for the calendar year 2023 by **August 16, 2024**, the Commission may open an investigation to show cause why the utility should not be penalized for failing to file the report in violation of KRS Chapter 278 and 807 KAR 5:006, Section 4. This could result in a civil penalty in the amount of \$2,500 for each offense, pursuant to KRS 278.990.

Sincerely,

Linda C. Bridwell
Executive Director
