TARIFF FORMAT

- A. **Sheet Numbering** - Sheet numbers appear in the upper right corner of the sheet. Sheets are numbered sequentially. However, occasionally, when a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

- B. **Sheet Revision Numbers** - Revision numbers also appear in the upper right corner of each sheet. These numbers are used to determine the most current sheet version on file with the Commission. For example, the 4th revised Sheet 14 cancels the 3rd Revised Sheet 14. Because of various suspension periods, deferrals, etc. the Commission follows in their Tariff approval process, the most current sheet number on file with the Commission is not always the sheet in effect. Consult the Check Sheet for the sheet currently in effect.

- C. **Paragraph Numbering Sequence** - There are four levels of paragraph coding. Each level of code is subservient to its next higher level:
 - 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.1.

- D. **Check Sheets** - When a Tariff filing is made with the Commission, an updated Check Sheet accompanies the Tariff filing. The Check Sheet lists the sheets contained in the Tariff with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by and asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The Tariff user should refer to the latest Check Sheet to find if a particular sheet is the most current on file with the Commission.

SECTION 2 - RULES AND REGULATIONS

**KENTUCKY PUBLIC
SERVICE COMMISSION**

2.1. UNDERTAKING OF COMPANY

- 2.1.1. Company's services are furnished for telecommunications originating and/or terminating in any area between points within the State of Kentucky.
- 2.1.2. Company is a provider of interexchange telecommunications to Customers for direct transmission and reception of voice, data, and other types of communications.
- 2.1.3. Company resells access, switching, transport and termination services provided by interexchange carriers.
- 2.1.4. Customer's monthly charges for Company's service are based on the total time Customer actually uses the service.
- 2.1.5. Subject to availability, the Customer may use authorization codes to identify the users or user groups on an account. The numerical composition of the codes shall be set by Company to assure compatibility with the Company's accounting and billing systems and to avoid the duplication of codes.
- 2.1.6. The Company's services are provided on a monthly basis unless otherwise provided, and are available twenty-four (24) hours per day, seven (7) days per week.

2.2. LIMITATIONS

- 2.2.1. Service is offered subject to availability of the necessary facilities and/or equipment and subject to the provisions of this Tariff.
- 2.2.2. Company reserves the right to immediately disconnect service when necessitated by conditions beyond the company's control or when the Customer is using the service in violation of either the provisions of this Tariff or the laws, rules, regulations, or policies of the jurisdiction of the originating station or terminating station, or the laws of the United States including rules, regulations and policies of the Commission.

2.4. LIABILITIES OF THE COMPANY

2.4.1. The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays, errors, or defects in transmission occurring in the course of furnishing service or other facilities and not caused by the negligence of the Customer, commences upon activation of service and in no event exceeds an amount equivalent to the proportionate charge to the Customer for the period of service during which such mistakes, omissions, interruptions, delays, errors, or defects in transmission occur. In no event will the Company be responsible for consequential damages for lost profits suffered by a Customer or end user as the result of interrupted or unsatisfactory service. For the purpose of computing such amount a month is considered to have 30 days.

2.4.2. Company shall be indemnified and held harmless by the Customer against:

- A. Claims for libel, slander, infringement of copyright or unauthorized use of any trademark, trade name or service mark arising out of the material, data, information or other content transmitted over company's facilities; and
- B. Claims for patent infringement arising from combining or connecting company's facilities with apparatus and systems of the Customer; and
- C. All other claims arising out of any act or omission of the Customer in connection with any service provided by Company.

2.4.3. The Company is not liable for any defacement of, or damage to, the equipment or premises of a Customer resulting from the furnishing of services when such defacement or damage is not the result of the Company's negligence.

SECTION 2 - RULES AND REGULATIONS, Continued

2.11. CANCELLATION BY COMPANY, Continued

2.11.3. The discontinuance of service(s) by the Company pursuant to this section does not relieve the Customer of any obligations to pay the Company for charges due and owing for service(s) furnished up to the time of discontinuance. The remedies set forth herein shall not be exclusive and the company shall at all times be entitled to all the rights available to it under law or equity.

2.11.4. The Company may refuse to permit collect calling, calling card, third number billing which it determines to be fraudulent and/or may limit the use of these billing options or services.

2.12. INTERCONNECTION

2.12.1. Service furnished by Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by Company. Any special interface of facilities necessary to achieve compatibility between the facilities of Company and other participating carriers shall be provided at the Customer's expense.

2.12.2. Interconnection between the facilities or services of other carriers shall be under the applicable terms and conditions of the other carriers' Tariffs. The Customer is responsible for taking all necessary legal steps for interconnecting Customer provided terminal equipment or communications equipment with Company's facilities. The Customer shall secure all licenses, permits, rights-of-way, and other such arrangements necessary for interconnection.

2.13. DEPOSITS

The Company does not require a deposit from the Customer.

SECTION 3 - SERVICES

3.1. INTEREXCHANGE TELECOMMUNICATIONS SERVICES

3.1.1. Company offers a switched access, Outbound (1 + dialing) InterLATA and IntraLATA service which allows a Customer to establish a communications path between two stations by using uniform dialing plans. Calls are routed over the Company's underlying carrier network and Company switching facilities. Calls are billed in increments with minimum billing increments unless otherwise specified. Fractional billed amounts are rounded up to the next whole cent.

3.2. APPLICATION OF RATES

3.1.1. Timing of Calls

3.1.1.1. The Customer's usage charge is based on the actual usage of Company's Service. Usage begins when the receiver of the called number is answered. The moment of the called party's answer and termination is determined by hardware supervision in which the distant local telephone company sends or ends an supervision signal to Company's switch or the software utilizing audio tone detection. The timing of the call occurs when the called party answers and terminated when either party hangs up.

3.1.1.2. Unless otherwise stated in this Tariff, the minimum call duration for billing purposes is one minute with one minute billing increments thereafter.

3.1.1.3. Any portion of an applicable increment, after the appropriate minimum time for the call, will be rounded upward to the next increment. Calls less than the minimum length will be rounded to the minimum length.

3.1.1.4. There is no billing for incomplete calls.

3.1.2. Service Areas

3.1.2.1. Unless otherwise specified in this tariff, Company's interexchange Service area is statewide.

3.1.2.2. Company's description of service area in no way compels Company to provide any Service in an area where facilities or other extenuating factors limit Company's ability to provide Service.

SECTION 3 - SERVICES

3.2 PROMOTIONAL OFFERINGS

Company may, from time to time, make promotional offerings of its Services, which may include waiving or reducing the applicable charges for the promoted Service. The promotional offerings may be limited as to the duration, the date and times of the offerings and the locations where the offerings are made.

3.3. INDIVIDUAL CASE BASIS (ICB) ARRANGEMENTS

Arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a Service offered under this Tariff. Rates quoted in response to such competitive requests may be different than those specified for such Services in this Tariff. ICB rates will be offered to the Customer in writing and on a non-discriminatory basis.

EXHIBIT D

SAMPLE CUSTOMER BILL

Applicant does not bill its subscribers directly. Applicant's interexchange charges appear on incumbent local exchange carrier invoices under a billing contract with B.S.G. Clearing Solutions, Inc. ("BSG" f/k/a "Billing Concepts"). BSG coordinates billing on behalf of Applicant with incumbent local exchange carriers. This is a common billing arrangement that enables subscribers to receive a combined incumbent local exchange billing and Applicant's long distance billing under a single incumbent local exchange carrier invoice.
